Event Coordination

Full Service: \$500 Retainer + 12% of all contracted day-of vendors

Month Of Service: Starting at 9.5% of all contracted day-of vendors

Our full service event coordination provides you and your loved ones the ease and ability to enjoy the planning experience. Our professional staff will bring your vision to life by connecting you with perfect vendors and coordinating the logistics of your event while maintaining your budget.

How it Works: At our initial consultation, we will discuss your vision for the event. This includes inspiration for colors, food, music, and any must-haves / must-have-nots. Once we have an outline of your vision, our team will gather vendor proposals and review contracts for various aspects of your wedding, such as catering, floral, musician, get-away car, and anything else needed to make the day a success. We will then work with your selected vendors to create a timeline, floor plan, rental order, scheduling and attending meetings as needed, and any other necessary arrangements. As the event approaches, we will attend and direct the ceremony rehearsal. Our staff will oversee set up big day, ensuring all décor and rentals are according to plan. Throughout the day, we will guide you and your bridal party through the flow of activities while you soak in the moments and enjoy the experience. As guests depart, our team will supervise vendor breakdown and help load in any personal décor and gifts.
