ADDITIONAL MEMORIES

Separate day creative photo session

\$ 300

The advantage is that these creative images are taken on the day and place of your choice. This way, your wedding portrait session can be with no hassle, no nervousness than capturing your portraits during your wedding day. We can travel much farther for beautiful pictures and dream big! The net duration of the session is about 3 hours.

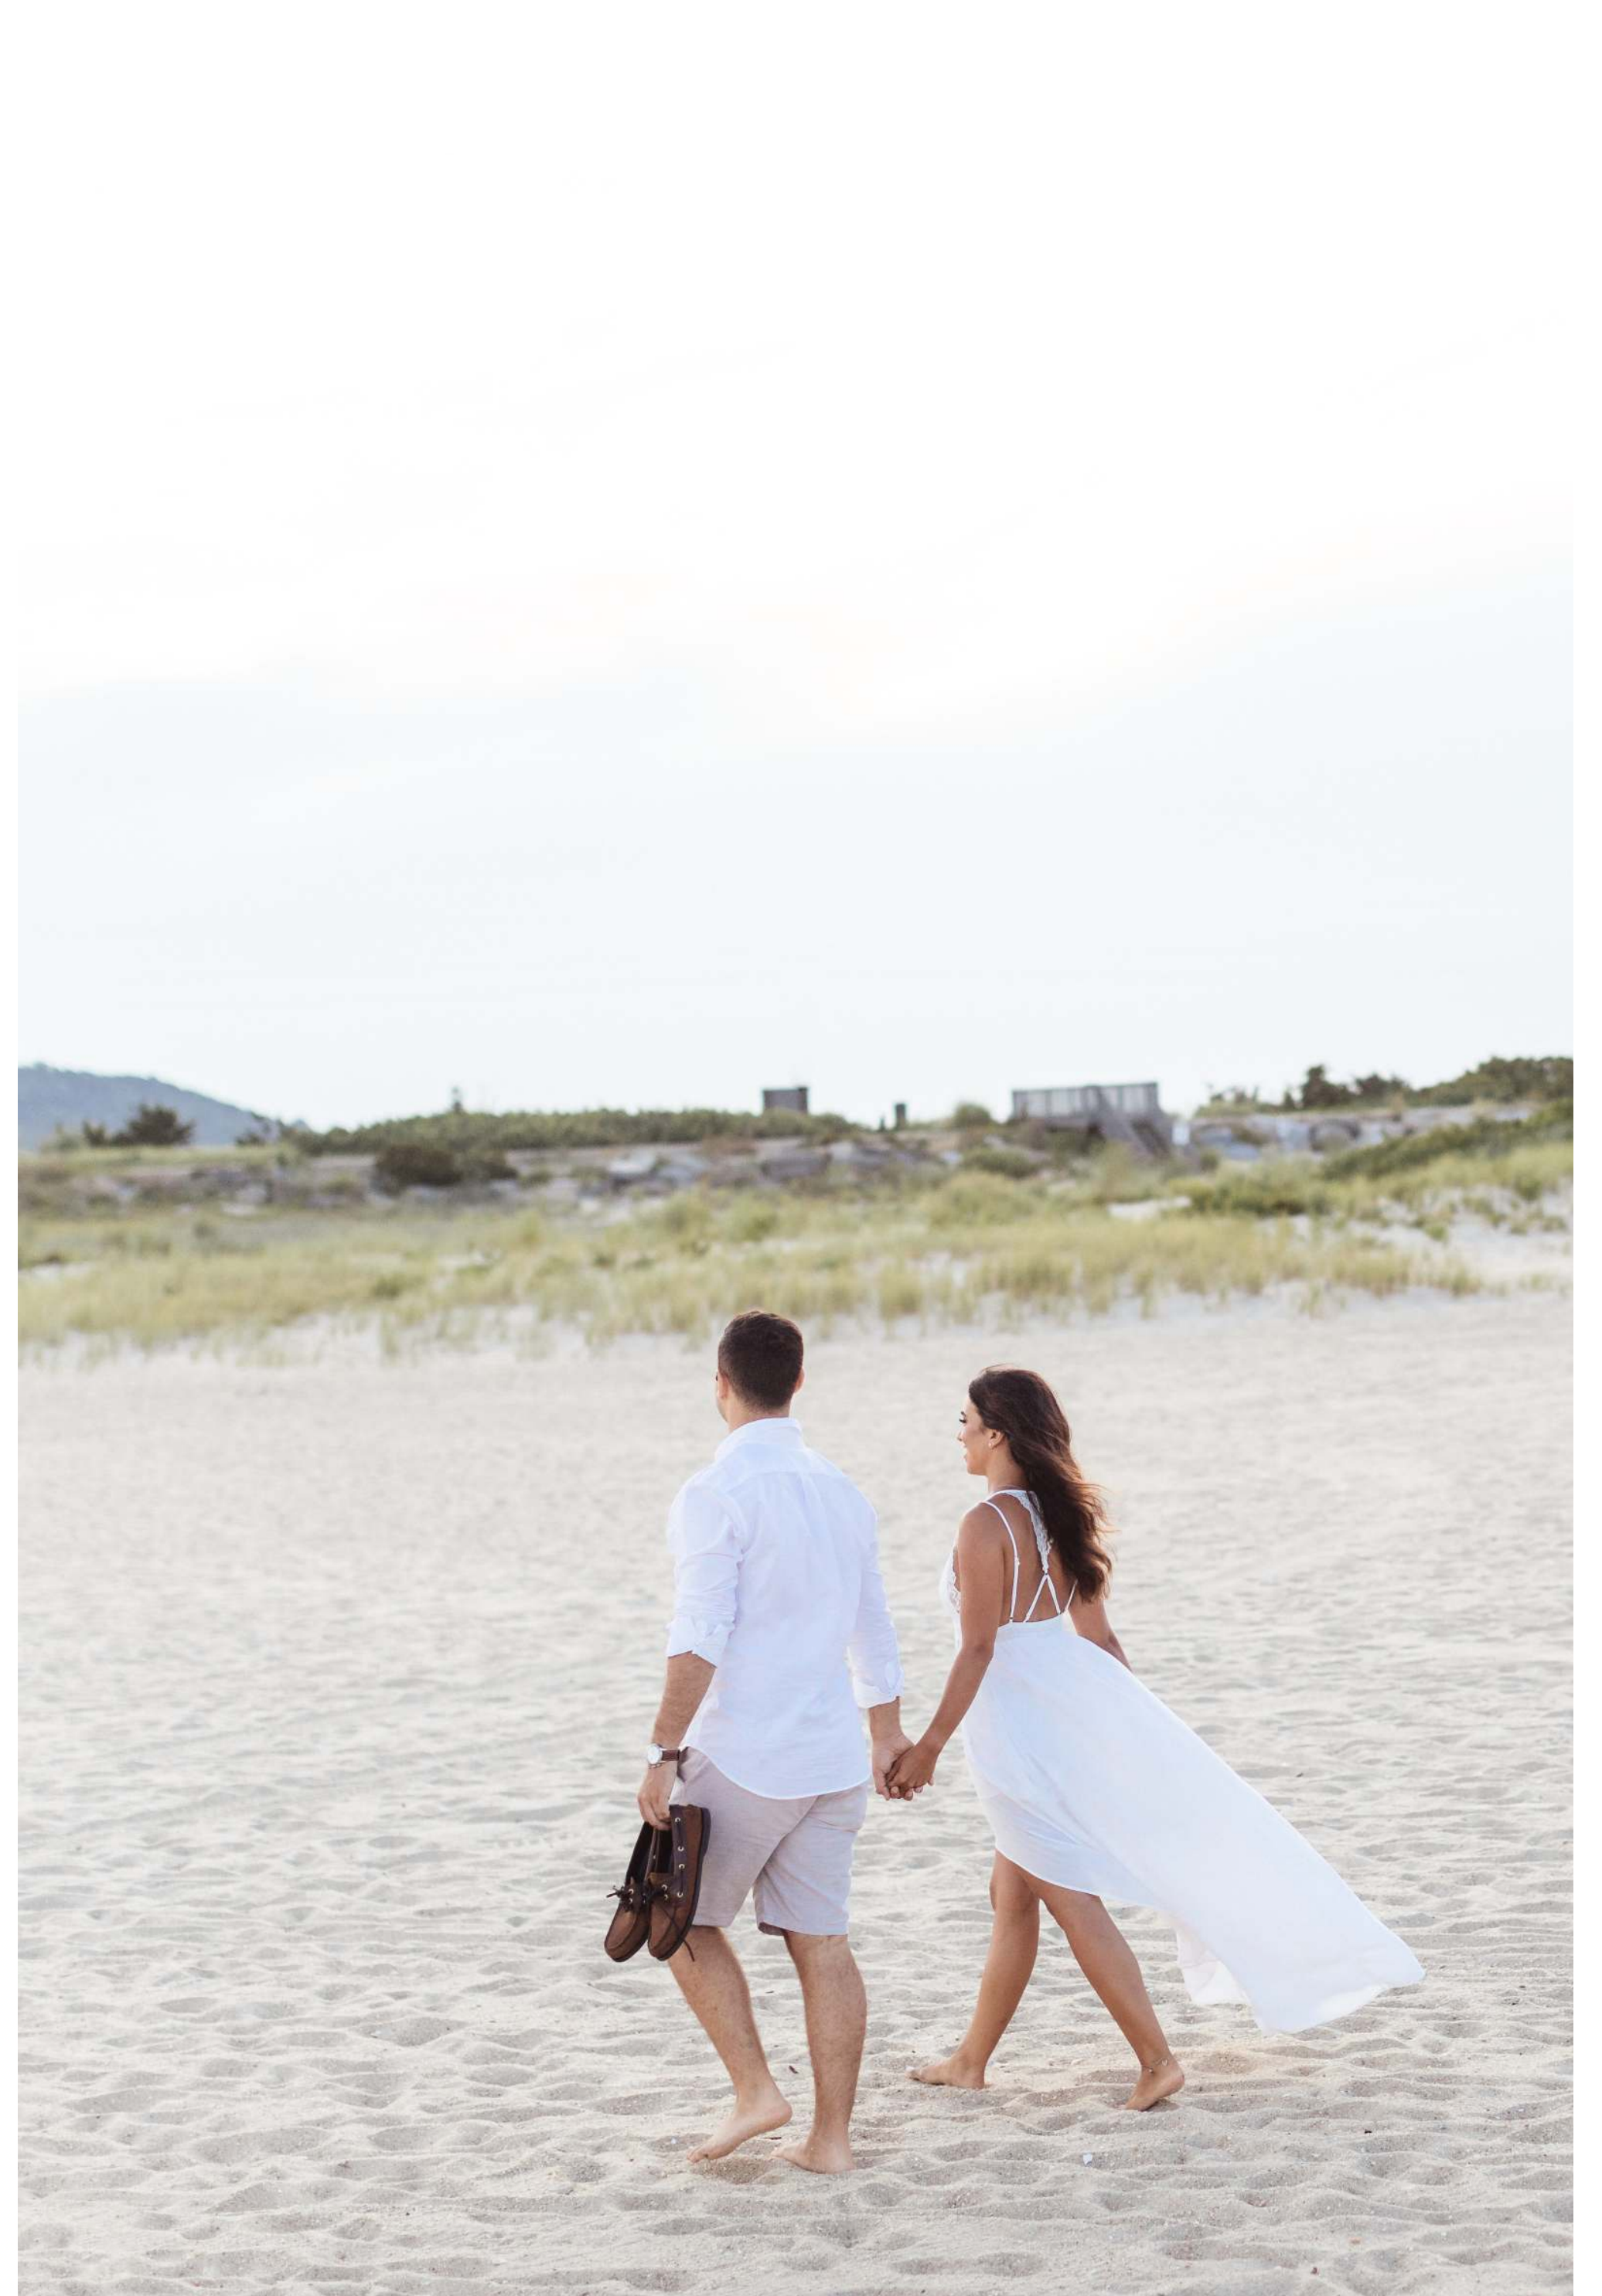

Engagement session

\$ 300

3-hour photo session, at a time and place of your choice capturing fun memories together. The advantage is that we get to know each other better before the big day, you get to learn posing and become much more comfortable in front of the camera.

WE TAKE, BUT BY THE MOMENTS THAT TAKE OUR
BREATH AWAY."

Additional hourly rate

\$ 200

Duration of any collection can be extended at any time. The price above is for any additional completed hour in addition to the period booked in contract.

Second Photographer / Assistant

\$ 1000

Second photographer / Assistant for your wedding day can help you with everything that is needed to ensure a smooth process. It always comes in handy to have an "extra eye" to straighten the dress to correct the makeup or hairstyle. This additional person does exactly that and more. In addition, the second photographer provides additional perspective from photo sessions and candid shoots of guests that would have been otherwise missed in the process. Additional 300 images are delivered per wedding.

Wedding video

FROM \$ 2000

Your wedding day is full of precious moments and emotions that can be captured in a movie. Let us document your wedding day both ways and capture the full glory of your experience.

PHOTO ALBUM

This is the culmination of my work the icing on the cake.

Delux and Premium packages include the album shown in the picture. You can order additional albums or change album types at any time.

I can personally show you a wide range of samples and provide more information about my album types that come with collections.

WHAT'S NEXT?

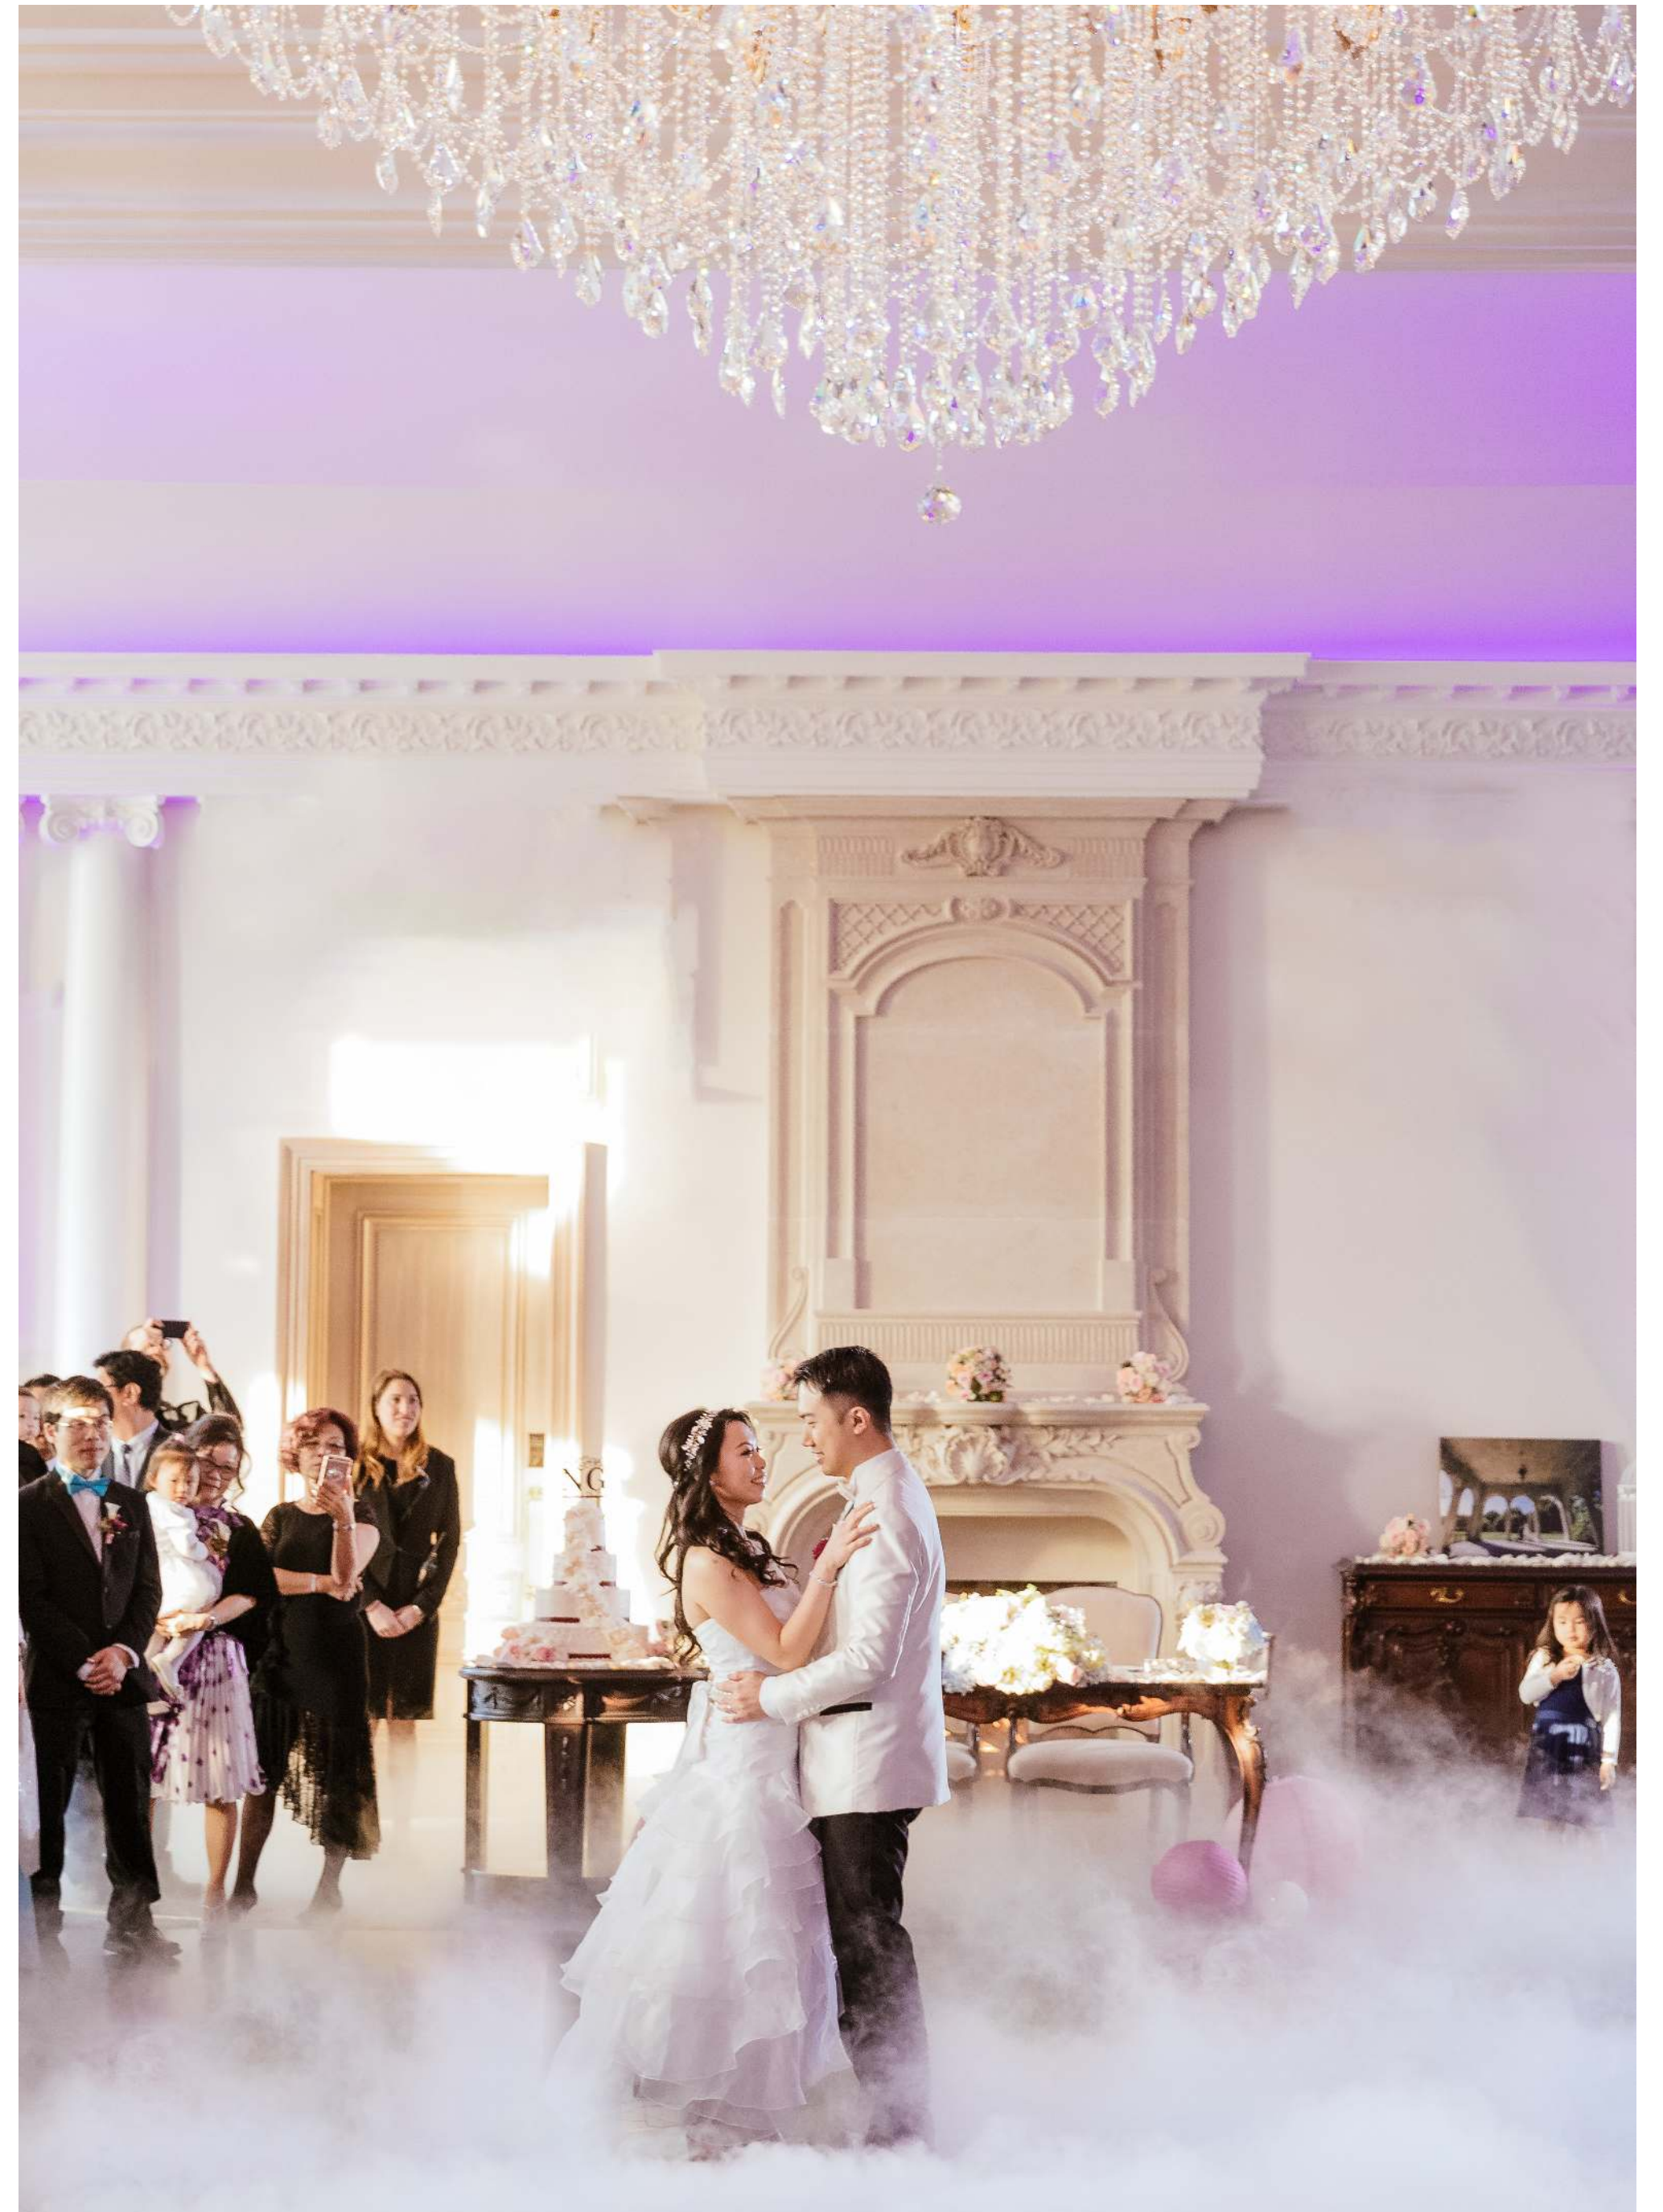

If you like the quality of my work, lets meet. I would love to hear more about your planned wedding day. During our introduction session we can get to know each other and decide if we are a good fit.

Booking fee is 50% out of the chosen collection. Our agreement will be captured in a contract. Once retainer is recieved and contract signed, we are 100% booked and the fun can start :)

I'm looking forward to getting to know you better! In the meantime, I wish you a joyful and effective organization of your wedding!
