Other Helpful Information

Timing

Allow 60 minutes for the bride and 30 minutes for each additional makeup application. We calculate the start time by knowing when you need to get in your dress (with your hair and makeup complete) and backing up the time from there. I can work with your wedding planner, hair stylist and photographer to create a schedule.

How to reserve your wedding date

Please don't delay in booking your event. A 50% non-refundable/non-transferable deposit/retainer is required to reserve Joya beauty's services for your wedding date. You can submit your deposit using the link on my website.

<http://joyabeauty.com/bridal/bridaldeposit.cfm> I will then send you a confirmation of services agreement. A filled out and signed agreement confirms your booking. The remaining balance would be due fourteen days prior to your event. I often get multiple requests for the same date so I work on a first come, first serve basis. The first bride to send a deposit and signed contract will secure the date.

If you are unsure as to how many additional makeup applications will be needed I suggest you reserve your date with the Signature Bridal Services. Once you have finalized your needs a 50% nonrefundable/non-transferable deposit/retainer is required to reserve time for the additional makeup applications if required. Please note that since I occasionally book second weddings for the same date (pending location and timing) we need to get these details confirmed as quickly as possible.

Additional services

See my website www.joyabeauty.com for rates and services. Brides and their wedding parties receive a pre-ceremony discount of 10% on any additional Joya beauty services such as: skin care treatments, makeup lessons, brow shaping and all products.

Thank you very much for your interest. I look forward to meeting you and helping you to look and feel beautiful for a special day you will always remember
