Services & Pricing List

Here is a general list of all of the basic details of my services and rates. If you would like to see my Facebook page, feel free to check it <https://www.facebook.com/faustentertainmentdjservice>

Service & Pricing:

At your wedding I will provide all announcements, special requests and special dances. I will keep in good contact with your caterer and your photographer during the night and basically make sure all of your events go smoothly. Think of me as your 'wing man'. I will also send you a really nice wedding form that will help you through all of your music and other things you may or may not think about on your own. The first 4 hours of music and announcements is \$550.00 if you are within about 1/2 hour radius of Mansfield. If you are further than 1/2 hour out I will ask for a small gas surcharge depending on how far I'm traveling. All of the rest of my services are a la carte so that you are not paying for a bunch of stuff that you might not want.

Here are my Add-on offerings:

Ceremony - If you would like me to DJ your wedding ceremony too, I can provide that service for \$150.00. That gets you all of your wedding music for 30 minutes before the wedding to set the mood, music during and after the service while people are exiting and any other microphone or special music you need for a soloist or anything like that.

Party Lights - This service is \$150.00 for the night. These are the 'dance' lights that make your atmosphere really fun for the reception once people start moving after dinner. (See the FB page for pics of those) If you are having a day reception or if it is going to be in the sun I would not recommend them because you won't see them. If you are in a building and it is dimmer, they will be fun.

Uplighting - Very popular at weddings for adding elegance. Again, they don't show well at an outside venue, but they look really nice on walls if you are inside. They shine up on pillars and walls whatever color you want them to be. This is \$200.00 for 8 of them spread around the room evenly, or behind the main table.. your choice. Again, visit my FB page to check out those lights in action.

Extra Service - If your reception is longer than 4 hours you can purchase additional hours for \$100.00/hour. If you know how long your reception is going to go, we can agree on it now, or if you want to simply 'wing it' for extra hours, you can pay for the additional time as the reception goes along.

Other Details:

For the deposit, I just collect \$100.00 cash or check to save the date. This comes off of your total price and will be applied to the balance. Please make checks out to **Scott Faust** and send to me with your wedding date in the memo section. Whenever you are ready to decide, you can send a check to me at:

Some questions that I like to ask in the get to know you process:

1. What is the name of the wedding couple?
2. Where is your wedding and reception?
3. Is this an outside or an inside reception?
4. Where did you hear about me?

Anything else I can tell you or other questions that you have? Feel free to email me at info@faustentertainment.com or give me a call at [570-605-0296](tel:570-605-0296). Thanks for checking into my service and I look forward to working with you!
