

WHAT WE DO ?

Our company offers a wide range of audio and lighting equipment rentals for both companies and individuals.

Our vast stock of equipment includes the very best names in the industry. Closely following market trends we are always reinvesting in our hire stock and adding to our equipment inventory which is already extensive enough to cater your every need and give you the ideal set up.

WHO WE ARE?

My name is George Apsis and I am the founder of Soundmykonos.com. I am also working as the sound manager at the biggest hotel group in Mykonos, the Myconian Collection Hotel Group.

I was a resident dj at the legendary clubs Space Mykonos and Cavo Paradiso for 7 years. Having more than 15 years of experience in this area, these days I play at private events and various clubs in Greece, London, Berlin etc. reaching over 300 private events in the last 10 years.

With these years of experience on my back I can provide accurate light and sound installation so that your event is just like you imagine it!
