FAQs

We carry liability insurance. We require a 50% retainer within 7 days of receipt of contract to secure date. We believe great audio accompanies great video. We place small microphones on the speaking parties during the ceremony, plug into the sound engineer's mixing board (if available), and place microphones in targeted locations around the venue to capture live music and general revelry.

We dress appropriately, use quality equipment, and truly enjoy capturing one of the most important days of your life.
