# FILM CONFECTIONERY PRODUCTIONS

At Film Confectionery we believe beautiful events should be captured spectacularly. Every soul needs to be celebrated. Weddings especially need to be shot with care and appreciation. Marriage is one of the most enriching relationships, it is delicate yet powerful. We love two hearts coming together and starting the roots of a new Family Tree.

## How We Work:

We will be there for you for as long as it takes. All our services as a Filmmaker are at your service. What ever style you decide, documentary, movie or a mix of the best techniques customized to your personalities.
