

SUE LYNCH PHOTOGRAPHY

Wedding Day Services

As a photojournalist, I approach a wedding as if I was shooting the "story" of your wedding. I can start as you are getting ready with your family or bridesmaids, photograph the ceremony and any formal portraits you would like and then shoot candid photographs of you and your guests enjoying your reception. The photographs are available as black and white or color images or a mixture of both for no additional charge.

3 hours of photography coverage and a proof album of approximately 250 photographs and three months of web hosting is priced at \$995

5 hours of photography coverage and a proof album of approximately 400 photographs and three months of web hosting is priced at \$1395.
