*** Travel charges and parking fees are additional cost billed post event.

*** Seasonal discounts may be available for your date if it is an off-season month.

*** Overtime hours will be charged \$150/hr/videographer if incurred the day of your event.

Disclaimer:) I need 40 minutes before ceremony and same before reception to set up audio recording properly, so that you can hear your vows and speeches. Packages include all video as filmed provided on one DVD with chapters and menu. There is no censoring of video except audio sync and multicam switching between camera views. Otherwise you'll be getting the longest running video I offer.

*** All coverage times are availability only. Time length of actual DVD is not guaranteed but cannot exceed 2 hours. If you wish your dvd to be longer than 2 hours, additional fees will be assessed. Videos longer than 2 hours can be online at no extra charge.
