Wedding Pricing & Package Information

Package #1 – \$2250

- Nearly unlimited photography time on your wedding day (up to 9 hours): before the ceremony, during the ceremony & reception (until the end), and posed shots before and/or after the ceremony.
- 2 copies of a DVD containing all of the selected images** from your wedding day in both Color (Full Resolution*) and Black and White (approximately 700+ images).
- The rights to reproduce any of the images from your wedding for personal use by yourself, family, and friends. (ie. for Prints, Albums, Facebook etc.) - *Having the rights to reproduce your own wedding photos, as well as the full resolution images can save you a lot of time and money, which is why many other photographers will not allow this!*
- A web site containing all of the edited images (approximately 700+ images) from your wedding. The web URL can be given out to family and friends to browse your images and/or purchase prints of your images. This web site will be hosted for at least 2 Years. (Here are some recent ones: <http://www.kqgallery.com/Weddings/Photography>)
- (3) 8x10in. & (1) 11x14in. High Quality Professional Prints from your choice of images

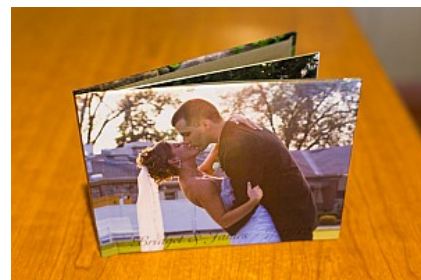

** Each image is carefully, individually edited on a calibrated professional quality monitor to ensure the highest color accuracy, clarity, and sharpness.*

***The “selected images” are the best approximately 700+ images that were shot throughout the wedding day. They are carefully selected from the 2000+ images that are produced at a typical wedding.*
