How many weddings do you take in a weekend?

Three weddings, depending on size. Sometimes we will call in extra designers for help on a busy weekend.

Do you rent any items?

Yes, vases, lights & electric candles. If we don't currently have something you are looking for many times we can get it in for you to rent.

Can you work with my budget?

Yes we are able to work with any budget and will give you suggestions on how to get the style you want for a price you can afford.

How can I get you color samples?

We suggest going to a paint store and getting sample chips, they are free and come in lots of colors.

How far in advance should I book my wedding?

Depends on the time of year, but we will take weddings with as little notice as 2 weeks, if we have an opening. We recommend booking larger weddings 6 months to a year in advance.

How can I find out if the flower I want to use is available?

We offer free consultations and can go over what is in season. Many flowers are available year round.

What is your delivery area?

This depends on the wedding, but on average about 40 miles from Madison. In the past we have delivered to WI Dells, Janesville and Milwaukee. Pick-up is always available and is free.

Can you help me to do my own flowers?

Blooms offers bulk flowers for the do-it-yourself bride. Assistance is also available. Our designers charge between \$40 & \$60 per hour (not including flowers) to help with design or answer questions. When placing a bulk order we offer a 30 minute consult free of charge if needed.

What is your average price for a wedding?

This question is asked frequently and the true answer is prices vary a lot. That being said I will list basic price ranges because it helps most brides get an idea of budget. Of course we have items that are higher or lower than prices listed this is just a general guide of what current Madison WI bride are paying at Blooms.
