## PHOTO BOOTHS PACKAGES

**-Large Photo Booth-**Booths come in all black or all white. Please note that the all white booth can have up lighting to change the color. We have enclosed booths (for total guest privacy) open-air booths or cabana booths. You can choose the background color and the photo booth kiosk can change colors to match the theme of the event

**-Photo Booth Attendant-** They will come to deliver the booth, maintain the booth, help guests with the scrapbook or with any questions, keep the area tidy and break down the booth at the end of the event

**-Unlimited prints-**Our sub-dye printers provide the highest quality prints that won't fade and fast print out time (approx. 24 seconds per print)

**-Print Options.** Guests can choose if they want their photos printed out in color, black and white, sepia, photochromic, comic book, etc. And the background scenery can be changed on the screen.

**-Customized prints-**We can use your design or we can create a design for the prints to your specification

**-Touch screen/Live view-**Extremely user friendly!

**-Tons of really fun props** (hats, boas, glasses, signs, mustaches, lips, etc.). We can also customize the props to your event theme. You can also add your own props as well

**-Social media upload**

**-Flash drive of all images-**delivered at the end of the event along with scrapbook

**-Online gallery of all images-** All images taken at the event will be uploaded to a private online gallery page where you or your guests can download any image.
