Weddings-by-the-Hour Information & Rates

WEDDINGS-BY-THE-HOUR Weddings-by-the-Hour coverage (WBTH) is a great option for couples who like to keep things simple and not to be 'locked' into a package structure with albums and other content not always needed. Everything is very flexible allowing you complete control over how much coverage time you select. You can even add extra time on your wedding day if needed. Whatever works for you. With WBTH, you own all your edited pictures and have complete freedom post-wedding to print and share anyway you wish. All edited images always belong to each couple we work for. WBTH is a perfect choice when you need more coverage time (without the cost of an album package) as you will save money without compromising quality or picture selection.

NO HIDDEN COSTS OR EXTRA FEES We are open and transparent with pricing. There are no additional fees with any WBTH coverage time selected. All costs are always included in quoted rates. After your wedding, you will receive all your edited pictures on a USB flash drive. A second back up flash drive is also included with any coverage time selected. Complimentary online viewing to all your pictures is included for at least five years. **All rates include tax and there are no travel fees.**

WBTH IS EXCEEDINGLY FLEXIBLE You select whatever coverage time you would like and can even 'go-with-the-flow' and add extra time on your wedding day if needed. With WBTH, you have options post-wedding to order extra pictures and various wedding albums *a-la-carte* at discounted rates. You will have my involvement in your picture editing post-wedding. I handle this side of things for all couples.

You will receive approximately 150 edited pictures per hour of coverage time with WBTH. This is the same number of edited pictures (per hour of coverage time) included with any of the four main album packages.

WBTH COVERAGE RATES These rates include all discounts, tax, and there are no travel fees:

6 hours: \$1,750 7 hours: \$1,950 8 hours: \$2,150
9 hours: \$2,350 10 hours*: \$2,650 11 hours: \$2,850 12 hours: \$3,050

A minimum of six hours is required for any wedding date.

Option available (even on your wedding day) to add coverage time in 30-minute increments. Each 30-minutes is \$100 (an hour \$200 etc.). **There is an extra \$100 fee if 10 or more hours selected (for hotel accommodations).*

ONLINE VIEWING IS INCLUDED FOR AT LEAST FIVE YEARS The way online viewing works is remarkably simple. After your wedding, I will email you your own personal web link you can share with anyone you wish. You can have your pictures password protected or 'unlocked' so anyone you share your link with can download images at no cost. There is also a convenient shopping cart for anyone looking to order prints or enlargements. You can make any image(s) private if preferred and/or create favorite lists. Your online link is compatible with all devices including smart phones, iPads, tablets, laptops, and pc's.

There will be no logos or watermarks on any images either on your flash drives or your online viewing link.

\$100 PHOTO CREDIT With any WBTH coverage time, you will receive \$100 photo credit post-wedding you can use to select enlargements (5x7's, 8x10's, 11x14's, 16x20's) of your choice. All enlargements are printed on the best professional paper available, unlike the kind used at many drug stores or when ordering online. Your prints and enlargements are drop shipped within approx. one week of you making your selections.

VALUE / QUALITY / SERVICE Any professional you hire should be excited to work for you as part of your wedding team. We always do our best to make sure couples we work for are happy with everything. That is our job. Many couples find my coverage options are flexible and provide surprising value without compromising quality. There are no hidden fees. My pricing is upfront and transparent. This way you know the cost of everything before you get started. Tax and any travel fees are always included in all quoted rates. No extra costs.

STRESS-FREE & SIMPLE If you have time, look through some reviews at [WeddingWire](#), [The Knot](#), or [Google](#) as these offer insight from couples we have worked for and their experience with my company. Along with must-get elegant family groups and beautiful couple pictures, we take many natural-looking candid photos that are authentic, unobtrusive, and real-looking. We believe in being prepared, working hard, and documenting each wedding story in a classy and elegant way. We want you to have an amazing stress-free experience and enjoy your day.

We are honored to have more five-star reviews online (over 1,500) than any other photography company in New York state, Massachusetts, Vermont, or anywhere else in New England.
