CAMP NAVARRO

How We Work

For 2021, Camp Navarro is welcoming more weddings to our beautiful 200 acre property in the Anderson Valley of Mendocino County, California. Camp Navarro is a dream come true venue located in a 'greatest hits' area of California with vineyards, redwoods and coast. We cherish creating magical wedding moments at our special property for the right couples. We look forward to the possibility of being your partner in hosting and assisting in creating this memorable experience in an exclusive and safe venue for your special day.

Site Rental

Our normal wedding program consists of a 3-day, two-night rental that allows you exclusive use of our property and use of various equipment including tables, chairs, benches, AV equipment, basic sound system, dance rugs, and food/beverage related serving items.

Lodging / Camping/RV

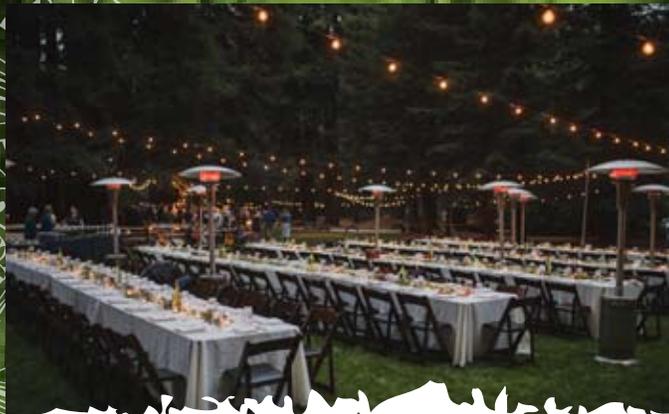

Lodging and camping onsite will be booked and paid for by your guests. We have idyllic cabins, glamping units and BYO tent and RV options. Guests bring their own bedding or we can provide down bedding at an additional charge. Your guests will book their lodging through a website we build for you.

Wine & Beer Service

Camp Navarro has a wine and beer permit and will also provide non-alcoholic beverages. We serve high quality local product from Anderson Valley/Mendocino County wineries and breweries. Our permit covers the main lodge as well as the grass, campfire and main stage in front of the lodge. Hard alcohol is allowed but must stay out of this permitted area.

Catering

You will bring in your own professional caterer or can work with one of our preferred caterers. You must utilize a professional chef/caterer. We have a stocked industrialized kitchen as well as an outdoor wood fired pizza oven and massive BBQ. Camp Navarro can provide coffee and basic pastry service in the morning for your guests.
