## ADDITIONAL SERVICES

### HAIR CUT

\$150

There are few things that feel better than a fresh, perfectly done hair-cut. Our ladies listen and will help you find the right cut to flatter. The only thing better than this is having it done at home!

### KERATIN TREATMENTS

\$300

If you have any kind of trouble with your hair texture this keratin treatment is a beauty miracle! It is customized to address your concerns. If you have super duper frizzy hair we can make it straight. If your hair is a little curlier than you like but you would like to keep some wave, you got it babe. Your hair is dried out and needs some moisture and TLC, this is perfect for you. There is no maintenance (except that you'll love it), and your hair will be better for it. For real. We also include a hair trim in the Brazilian Blowout service.

### SEMI-PERMANENT EXTENSIONS

quoted

Now if you've been wanting long gorgeous hair then you've found your place. We'll give you the length and fullness that you've have been hoping for through a secret lattice-lace like method that's so gentle on your hair and with the best quality extension hair there is. Semi-permanent extensions last 2-3 months and are an investment but when we do them you are ensuring that you are getting the most natural looking extensions....ever.

Because we are an on location service, every appointment requires a great deal of planning a staff commitment. Please note that we have a 24 hour cancellation policy.
