Straight to the Plate Catering

Believes your

Wedding Day

Is Like a

Slow Dance

that You Won't Want to End.

STRAIGHT to the PLATE CATERING

We know your Wedding Day will be like a slow dance and that you won't want it to end! As a multi-award winning caterer, including Best Arizona Catered Event Winner (2x), we understand that and we are honored to be considered to be a part of your wedding team and first meal as a new family! Your vision will come to life as we create an intimate and personalized reception for your family and friends. Straight to the Plate Catering has devised distinct methods of service through our own brand of Culinary Amusement. What is Culinary Amusement? It's the use of creative culinary presentations designed specifically to enhance the event while incorporating your personal style. We'll produce a unique and creative atmosphere for your Wedding Day. You'll love our strolling Passed Bites for cocktail hour, and our Beautiful Dinner Buffet Tablescapes for your first meal as a new family. You can always continue the fun by adding a late night Performance Station, or have a Formal Seated Dinner Experience.

On the following pages is a little taste of what we bring to your Wedding with Sample Menus and some options to enhance your guest experience.

We have you covered... BUT, YOU BRING THE GUESTS!

Take a look further...
We advise you to have some snacks ready. You're going to get hungry!

And, the Culinary Amusement begins . . .

PASSED BITES

And like a slow dance, your cocktail hour starts with Passed Bites. It is important that all of your wonderful food choices get to each and every guest. Passed Bites are an important part of ensuring that happens. Made from scratch and presented beautifully, Straight to the Plate Catering's savory bites make a wonderful first impression, by providing just the right mix sure to please every palate.

THE DINNER BUFFET TABLESCAPE
