# questions?

## **How do I book you?**

Your wedding date is officially booked once you put down a \$750 non-refundable retainer and sign a contract.

## **When is the rest of my payment due?**

30 days prior to your ceremony date.

## **Is tax included?**

No, tax is only included on sessions where you receive an actual product such as a USB or wedding album. Online galleries with digital downloads of your photos are not taxed.

## **How many photos will I receive?**

Typically you'll receive 100 photos per hour of coverage.

## **How long until I receive my photos?**

It depends on the season, but typically 4-8 weeks.

## **Can I receive raw or un-edited photos?**

My promise is that you will receive all the photos you could possibly want; I don't ever send un-edited photos because the editing process is a very important part of my work.

## **How does the online gallery work?**

You can directly download high-resolution images from the online gallery, share the link with friends & family, and order prints easily!
