# WHO AM I?

hey, I'm Liv!

I am so happy you decided to reach out to me about your wedding! I am obsessed with people in love & want to capture your wedding day the way YOU pictured it!

I love looking at humans as art, so when I take photos, I want to portray that! I strive to capture you and your person in an artistic way that makes you FEEL something! I want you to remember your day as an experience where all your senses are involved. We're going to preserve the way it felt, smelled, sounded, and tasted.

Im the photographer for you if you care less about the day going perfectly, having expensive decor, and keeping up with trends & more about having a day that feels like YOU, is intentional & meaningful, and let's you relax and enjoy your day.

# MY PROCESS

## booking & beyond!

1. We will set up a phone call & go over details, get to know each other, and dream about your big day!
2. I have a feeling we're going to be a good fit, so next, as soon as you're ready, I'll shoot you my proposal! You'll pay 1/3 down as a retainer to hold your date & sign my online contract! From there, we can set up a payment plan that best fits you!
3. Now that you're all booked, we can set up engagements! They're included with my 8 and 10 hour packages! These are a great way to get to know each other and calm some nerves before your wedding! (PS I have a guide for that too!)
4. We will continue to keep in touch as your big day approaches! I have a questionnaire I will send out to get details from you & we can put together a timeline for you! Reminder that you can text me if you need help with ANYTHING!
5. We will finalize the timeline in the weeks leading up to the wedding so we can account for any last minute changes!
6. Woooo today's the day!!! I'll be your photographer & also will be there to help with anything you need!
7. After the wedding, I'm gonna pass out for the night, then get to work uploading and editing some sneak peeks that you'll get within a week!
8. In about six weeks, you'll get the rest of your photos!
9. Soon after, you'll get a fun little package in the mail so you also have a physical copy of your memories!
10. I wanna keep in touch! I love seeing what my couples are up to on social media, and maybe in a year we could do some anniversary photos?? :)

# FAQS

## Do You Travel?

ABSO-FREAKING-LUTELY! I love roadtrips, plane trips, and anything in-between! Travel is included in my packages, so just say the word (and shoot my the address) and I'm there!

## How do I get my photos?

I'll deliver your high-res, edited photos in an online gallery, and you will also get a flash drive in the mail! (I don't always trust technology haha, so your photos are triple backed-up!)

## How long do I have to wait for my photos?

I work my butt off to get you sneak peeks within the week after your wedding (I shoot for a day or two!) Then, you'll get your full gallery in about six weeks!

## How many photos do I get?

This depends on many factors! Number of hours, how many people are there, and how much you have planned will all affect the number pf photos you get back! You can expect around five-nine hundred!

## Do you do custom packages?

For sure! If your day looks different, we can talk and put together something that works just for you!
