The ZARIA Difference

We believe that the best way for me to capture amazing photographs and give you a wedding day experience you will enjoy is to really get to know my couples. This will allow me to create a more natural and comfortable experience while you're in front of the camera. This is why I recommend an engagement session with every wedding package. The engagement session is a great way for me to get to know your rhythm, and for you to see what it'll be like working with me on your wedding day.

“
**Could not have
asked for *better*
photographer...”**

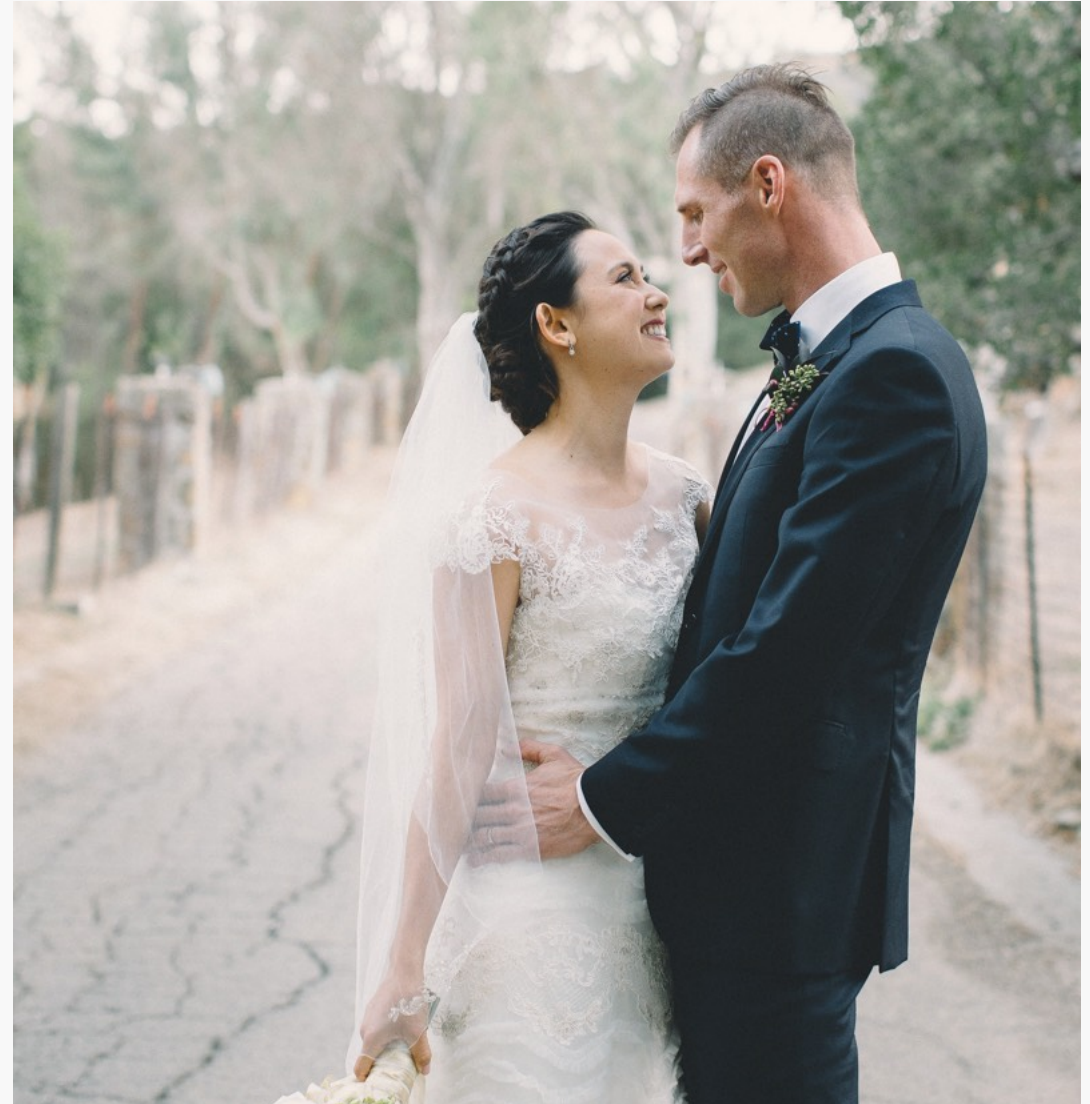

When looking for photographers I chose Oliver because I liked the style of his photos. They are very natural and "in the moment", not staged or posed. If you are looking for someone to capture all of the special moments in a beautiful, simple and non-disruptive way, they are the ones for you. Aside from the outstanding quality of their photos, personally Oliver and Chris were extremely charismatic and made the day more enjoyable with their presence. They kept the party going with their energy at the reception...We got so many compliments about how awesome they were. Could not have asked for better photographers, they made me feel comfortable, relaxed and beautiful on our special day!

“
**Definitely *the*
best day of our
life!”**

From start to finish Oliver was incredible, professional and patient. The locations he scouted were beautiful and the photographs turned out better than we could've imagined. What impressed us most is how easily Oliver worked with us and our family. He wrangled everyone with grace and knew how to work his magic with the young children when they didn't feel like cooperating. I **HIGHLY** recommend using Zaria Studio for any future events and would be happy to be used for a recommendation.

“
**Each moment
was captured
perfectly...**”

Hiring Zaria/Oliver was the best decision I had. He made us both feel incredibly comfortable in front of the camera and provided the most spectacular photos for our engagement session. Our photos turned out stunning and are exactly what I had envisioned. My husband has thanked me so many times for choosing Zaria studios as our photographer and I too am so lucky to have found Oliver. I will forever recommend him and his team for any occasion you are in need of a photographer.
