## **A Note about COVID 19**

Because of these uncertain times, I have changed my policy for refunds. Previously, booking refunds were non-refundable, but I will now refund 60% of your booking deposit if you must cancel your wedding due to Covid 19. (40% will be retained to cover work already completed.) I have no wish to profit from circumstances beyond your control! I hope this will provide you with some additional confidence when deciding on a florist!
