Our Wedding Planning Packages

Partial Planning Starting at \$3500

Our Partial Planning Package is tailored for couples who have already made headway in their wedding planning and desire less assistance than a Full Planning Package. It allows couples to take a hands-on approach to their planning while receiving our professional guidance along the way. Benefit from a customized experience that strikes the perfect balance between independence and expert support executing every divine detail.

- Partial wedding planning services tailored to your specific needs
- Assistance with specific aspects of wedding planning based on your preferences
- Collaborative approach, where you remain involved in decision-making
- Guidance and recommendations for vendor selection and negotiations
- Help with managing vendor contracts and payments for selected services
- Assistance with wedding theme and design concept
- Creation and management of a customized wedding timeline
- Coordination of wedding rehearsal and ceremony logistics
- On-site coordination and management on the wedding day
- Assistance with guest accommodations and transportation, if needed
- Limited involvement in guest list management and RSVP tracking
- Assistance with wedding stationery and invitation design, if needed
- Guidance for wedding favors and gift selection, if desired
- Providing creative ideas and inspiration to enhance your vision
- Ensuring a smooth execution of the selected aspects of your wedding day
- Reducing stress and allowing you to focus on enjoying your special day.

Our Wedding Planning Packages

Day of Event Planning Starting at \$2000

With your extensive wedding notebook filled with vendor contracts, deposit receipts, magazine clippings, RSVP spreadsheets, and draft timelines, you've dedicated months to ensuring every divine detail is in place.

However, the realization dawns that managing the logistics on your wedding day is not the ideal scenario you had imagined. Let us alleviate your burden by taking charge of the implementation, allowing you to truly enjoy your special day.

- Day-of event planning services specifically focused on the wedding day
- Collaborative approach, working closely with you to understand your vision and preferences
- Reviewing and finalizing all vendor contracts and details prior to the event day
- Creating a detailed wedding day timeline and schedule
- Coordinating and managing all logistics on the wedding day
- Serving as the main point of contact for vendors, ensuring smooth communication and execution
- Overseeing the setup and arrangement of the ceremony and reception venues
- Managing and directing the flow of events, including the ceremony, cocktail hour, dinner, and other activities
- Assisting with seating arrangements and guest guidance, if needed
- Ensuring proper timing and coordination of key moments (first dance, cake cutting, toasts, etc.)
- Handling any last-minute changes or emergencies that may arise
- Managing vendor payments and gratuities on the event day
- Ensuring a seamless and stress-free experience for you and your guests
- Allowing you to relax and fully enjoy your wedding day without worrying about logistics
