

Wren Farm

CHAMPAIGN COUNTY, OHIO

EST. 2013

Here at Wren Farm we want to help make your wedding day memorable. Located in southern Champaign County, approx. 30 mins west of Columbus and 45 mins northeast of Dayton, the farm has been a part of the Champaign County landscape for nearly 200 years.

We have seasonal flower fields, rolling farmland, an original 2 story barn with 40-foot cathedral ceiling and a restored 1845 brick farmhouse. Our historic farm is spacious and unique and can accommodate events for up to 225 guests. It is the perfect backdrop for those couples looking for a chic and rustic location to host their ceremony and reception.

We are an open venue: we provide exclusive use of the space and lend the expertise of a seasoned wedding coordinator to assist with your wedding day, but we permit our couples to bring in their own caterer, alcohol and any vendors of their choice. Of course, we can assist couples by making vendor recommendations - we know great local people - but we let our couples lead so they can design a memorable day within their own budget and style.
