## A LITTLE ABOUT ME

Hey there! I'm Delaney, the passionate and talented photographer behind Luxco Photos. I'm based in beautiful Akron, Ohio, and my goal is to create stunning, authentic photos that you'll treasure for a lifetime.

I want you to feel completely connected and valued throughout your special day. It's all about you and your love story. So, take a deep breath and relax, knowing that I'll be there every step of the way to capture those cherished moments.

# WHAT TO EXPECT

---

## A WEDDING DAY YOU CAN ACTUALLY ENJOY

As your personal guide on your wedding day, my mission is to make it the happiest day of your life. I want you to relax and simply enjoy every moment while I seamlessly blend into the background, capturing those genuine and un-posed moments of joy. And don't worry—I'll be there by your side, ready to support you whenever you need it.

You can count on me to be there for you, sticking to a timeline that allows for flexibility. Let's face it, not everything runs perfectly on a wedding day. That's why timelines are designed with breathing room. Your job is to focus on saying "I do," and mine is to document each and every heartfelt moment.

Together, we'll create a seamless and unforgettable experience. Your wedding day is about celebrating love, and my ultimate goal is to preserve the emotions and memories that will warm your heart for a lifetime. So rest assured, I'll be there every step of the way, ensuring that your day is as magical and joy-filled as you've always dreamed.

# LOVE NOTES

---

I'm a wedding planner and worked with Delaney at a wedding this summer. Delaney ended up helping set up for the wedding with me, and basically acted as my assistant until it was her time to start photographing the groom's party!

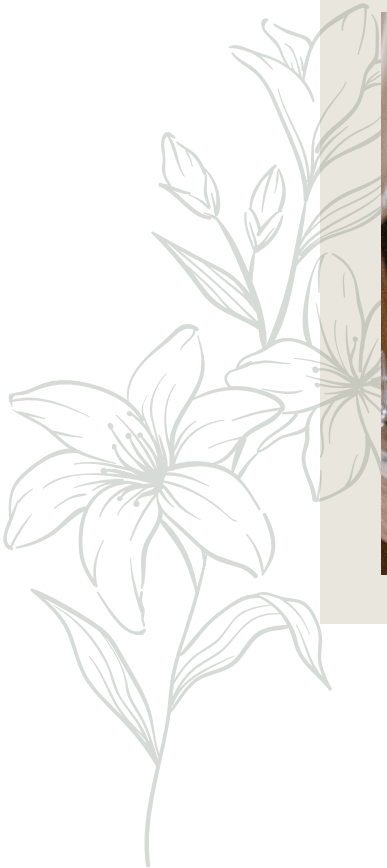

She is professional, a great problem solver, dedicated, talented, and helped make the day go by so much easier! No one ever had to tell her "Hey take a picture of us."

She was always right there already getting the picture, and some incredible candid moments.

Hiring her for your day is one of the best choices you could make, and I'd recommend her to anyone!

## CONSULTATION

---

I want you to feel completely at ease as we discuss your plans and dreams. Your input is so important, and together, we'll create a personalized approach that reflects your unique love story. Think of our consultation as a chance to gather inspiration, ask questions, and lay the foundation for an extraordinary photography experience that will beautifully document every precious moment of your celebration.

## CONTRACT + BOOKING

---

To secure your date, we ask that you sign a contract and make a 25% non-refundable retainer fee payment. This ensures that your most cherished moments are reserved just for you. Your remaining balance will be split in 3 additional payments of 25% with the final payment due four weeks prior to your wedding day.

We recommend Delaney for ANYONE looking for a photographer for couples photos, family pictures, wedding, you name it! I guarantee she'll make you feel so comfortable and beautiful that that energy will come out in your photos. And most important is that Delaney is a treasured friend of ours, not just our photographer. She is part of our family 💜
