DAY DREAMER + PHOTOGRAPHER

BASED OUT OF DENVER, COLORADO.

## MEET ASHLEY:

---

I love an adventure. The soul of a wandering spirit lives within me so I do what I love and combine photography with nature. I will always strive to evolve, explore and learn. Documenting life as the chaos unfolds.

I grew up in Nebraska, where I was the child that never slowed down. A part of every organized and unorganized club, sport, and hobby. I took line dancing in 2nd grade, played percussion in the school band, and wanted art class to last all day. Fast forward to moving to Colorado, where I fell in love with my surrounds, and found my true self. I love to go hiking, attend a spicy Zumba class, and listen to records while cooking dinner. I love music, postcards and shoes. I fully embrace my inner dork and dance parties are a must.

I am currently living in Westminster, CO with my fur babies Elton + Teller and my handsome boyfriend Shea. We love to travel and explore new spaces and environments - usually and frequently ones not marked on a tourist map.

## A FEW OF MY FAVORITE THINGS:

---

**FOOD:** Anything, don't judge.

**STORE:** Anthropologie

**FOOTWEAR:** Leather Sandals

# WHAT I'M ALL ABOUT

Getting married is one of the most exciting times of your life! It's a time to reflect and look forward to everything that's to come. You're probably overwhelmed with all the wedding information out there, but don't worry. You're not alone! I'm here to help!

The information in this planning guide is meant to help you through all of your photography-related questions, so you can be relaxed and excited for your big day.

I have spend years finding the perfect locations, poses and lighting techniques that show off my clients naturally and beautifully. Hours and hours of been spend researching the best looks, hair and makeup tips, and wardrobe ideas that ensure a look that's polished and professional, but most of all - YOU.

Snapping a photo is easy, but directing a client and leading them confidently throughout their shoot is something entirely different. This is something I not only strive to do, I guarantee it with each and every client who graces the front of my camera.

I work with each of my couples to create a unique portrait session they will be proud to show off days as well as YEARS after we are finished with our session. Instead of following trends, I have worked hard to create a style of my own that is chic and timeless. No detail is left to chance.

My goal is to be there every step of the way as I capture your story. From the initial consultation to handing over the final pieces from your session, I will guide you through an experience that is memorable for years to come.

ASHLEY TIEDGEN

Congratulations and welcome to my family!

**Ashley did an AMAZING job with our engagement + wedding photos! She really knows how to capture your special day. It's hard to believe only one person took so many great pictures!** - Jennie + Brett

**“Ashley was way more than just a photographer for our wedding, she was an integral part of making our wedding day perfect.**

**She was so much fun to work with and flexible with our ideas and thoughts. She laughed with us, danced with us, and brought our wedding to life in photographs. I can't speak highly enough of her, her talents, and her amazing personality.”**

# FREQUENTLY ASKED QUESTIONS:

---

*FAQ IF YOU WILL.*

**Q: WHAT MAKES YOUR WORK DIFFERENT FROM OTHER PHOTOGRAPHERS?**

A: I believe a photo session should be a representation of your relationship, enhanced by my artistic abilities. I won't make you look like every other couple. You'll look like you, in the best light!

**Q: HOW MANY PHOTOGRAPHERS WILL BE AT OUR WEDDING?**

A: All of my packages come with one photographer (ME!), although you can always add on a second photographer, for an additional cost.

**Q: MY WEDDING ISN'T IN DENVER. DO YOU HAVE A TRAVEL FEE?**

A: If your wedding is outside of Denver Metro Area, I do charge a travel fee of \$150. This helps with travel expenses like gas, my time, and the occasional hotel room. I stay late at receptions and driving back at night isn't always the safest. Unless I'm blaring PittBull and dancing Zumba in my seat. That's not safe either....

**Q: I'M HAVING A DESTINATION WEDDING. DO YOU TRAVEL?**

A: Come on. Is this really a question? YES, I DO TRAVEL! Send me your travel plans and I'll create a custom wedding package to suit your big day!

**Q: DO YOU PHOTOGRAPH ELOPEMENTS?**

A: You betcha! Depending on availability and the number of hours you have set aside for photography, I have special rates for elopements.

**Q: IS THERE A DEPOSIT? WHAT'S YOUR REFUND POLICY?**

A: There is a \$400 deposit to reserve your date in my calendar. The remaining balance of your photoshoot invoice is due 30 days before your wedding. If for some reason you cancel the wedding, all payments made are refundable, except the deposit. If for some reason I cancel the wedding (I break my leg, etc - this won't happen), all payments made, including the deposit, are refundable.

**Q: DO YOU HAVE A LIST OF PREFERRED VENDORS?**

A: Vendors who stick together, succeed together. From wedding coordinators to florists and DJs, I have worked with some of the best companies in the industry and would be happy to share their information with you.

**Q: WHAT EQUIPMENT DO YOU USE?**

A: Would you know what I was talking about if I told you? If you'd really like to know, I shoot with Canon products, and would happily let you know my exact pieces of equipment, if requested. I bring backups in the rare event that anything should happen to my gear during your event.

**Q: HOW LONG WILL OUR PHOTOS TAKE TO EDIT?**

A: Usually, it will take me 4-6 weeks to edit your wedding day. I hand pick each image I want to touch up, make sure it's perfect, and get it organized in a nice gallery for you. You will only receive the edited images, the RAW files will remain mine.

**Q: WILL WE GET THE PRINT RELEASE TO OUR PHOTOS AFTER OUR WEDDING?**

A: Oh yes! You have the rights to do whatever you want with the photos!

**Q: I HAVE NO IDEA WHERE TO PRINT MY PHOTOS! HELP!**

A: No worries, friends! You have the option to print your photos through your online gallery, or I'll give you my recommendations. I highly recommend ordering prints through a professional vendor, so if it's not through me, I'll help you pick the right company.

**Q: WILL OUR WEDDING BE FEATURED IN A MAGAZINE OR BLOG?**

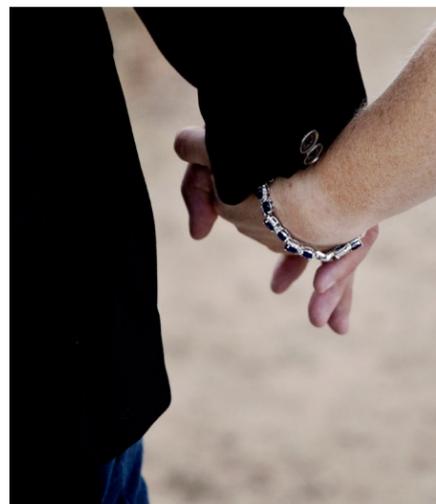

A: While some of my weddings do get featured, this is not something that is guaranteed. I want to get featured as much as you, so I'll most likely submit your photos here and there. I'll let you know if we get featured - and then meet up for a celebratory drink!

---

## QUESTION: WE'RE READY TO BOOK! HOW DO WE RESERVE OUR WEDDING DATE?

A: Yay! A \$400 deposit and signed contract is required to save the date in my calendar. Send me an email to get things set up! [atiedgen@gmail.com](mailto:atiedgen@gmail.com) CHEERS!

**BECAUSE  
EVERY  
MOMENT  
COUNTS.**

# WEDDING DAY DETAILS:

---

Gather all your details before the day starts so I can photograph them quickly. This makes the getting-ready portion of the day go by much more smoothly, and it allows me to spend more time focusing on the spontaneous moments when everyone is together. This list is mainly for the ladies, but same advice goes for the groom and groomsmen.

## WHAT TO BRING:

Rings (this one is kind of important), jewelry, hair pieces, flowers, shoes, socks, cuff links, letters, pictures, gifts, cultural items, invitations, programs, printed pieces, and any unique items you've put thought into!

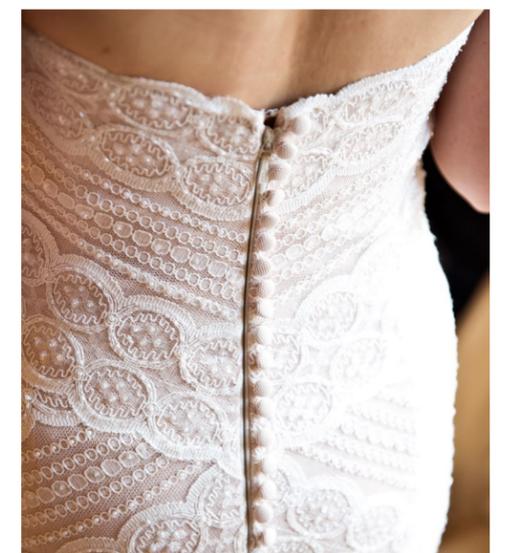

## CROWD MANAGEMENT:

It helps to have a designated friend who can proactively gather the groups so I can focus on creating beautiful photos! Usually this person knows the groups pretty well, they have a loud voice, and they can round people up with ease. Think of a cousin, or crazy aunt!

---

THINK ABOUT GETTING A WOODEN HANGER FOR YOUR DRESS. THEY PHOTOGRAPH WELL AND ARE GREAT KEEPSAKES FOR YEARS TO COME.

---

A wedding ceremony is taking place on a wooden deck. The bride, wearing a white lace wedding dress and holding a bouquet of white flowers, is walking down the aisle hand-in-hand with the groom, who is wearing a dark blue suit and a pink tie. They are smiling and looking towards each other. The aisle is lined with white folding chairs, some of which have small bouquets of white flowers tied to them. In the background, guests are seated and watching the ceremony. The sky is bright blue with scattered white clouds. A semi-transparent white box is overlaid on the left side of the image, containing text.

**“If I could give  
10 stars to this  
review I would.  
“Wow the best  
ever!” does not  
match what her  
quality of work  
equals.”**

- Anastasia + Nick

# WHAT TO EXPECT:

---

## LOCATION:

Add more personality to your engagement photos by choosing a location of your session! Whether it's at a local coffee shop or a local park where you first met your soon-to-be spouse, let us know if there is a place sentimental to you! I also have recommendations if you're drawing a blank.

## PAYMENT:

A \$400 deposit is required in order to secure your wedding. The remaining balance is due 30 days before your wedding. For all other types of photo sessions, please contact me for payment requirements.

## STYLE TIP:

While it is great to compliment your future spouse in photos, by no means do the two of you need to wear matching outfits. Wear something that makes you feel comfortable and confident!

Bold colors and accessories photograph really well. If your other half is more comfortable in solid colors, try choosing something with a little texture. Patterns are a great way to add contrast to your images. Be creative, and let your unique personality shine through!

## SCHEDULING:

Weddings are usually booked at least 7 months in advance, while sessions are scheduled 2-3 months in advance. Cancellations and reschedules must be made via email or phone at least 48 hours prior to your session. Deposits are non-refundable. (\*refer to FAQ on wedding deposits)
