Collections 3&4 include the option for a professional assistant to travel to a separate location for photos of the groom and groomsmen getting ready.

All packages include up to two hours of travel time from the zip code 15642, or the zip code 21550. If additional travel time is necessary, a separate quote, can be prepared.

An online gallery of all your finished photos comes with every wedding day. All your photos are stored safely in the cloud for 10 years. It includes the ability to download all the high resolution photos straight to your computer or smart phone. You can also share on social media, and with friends and family. The gallery includes a print release for you to make photo prints and other products on your own, or through the gallery itself.
