- for the generations -

your day - your moments - your investment

WEDDING PHOTOGRAPHY IS MORE THAN PRETTY PICTURES

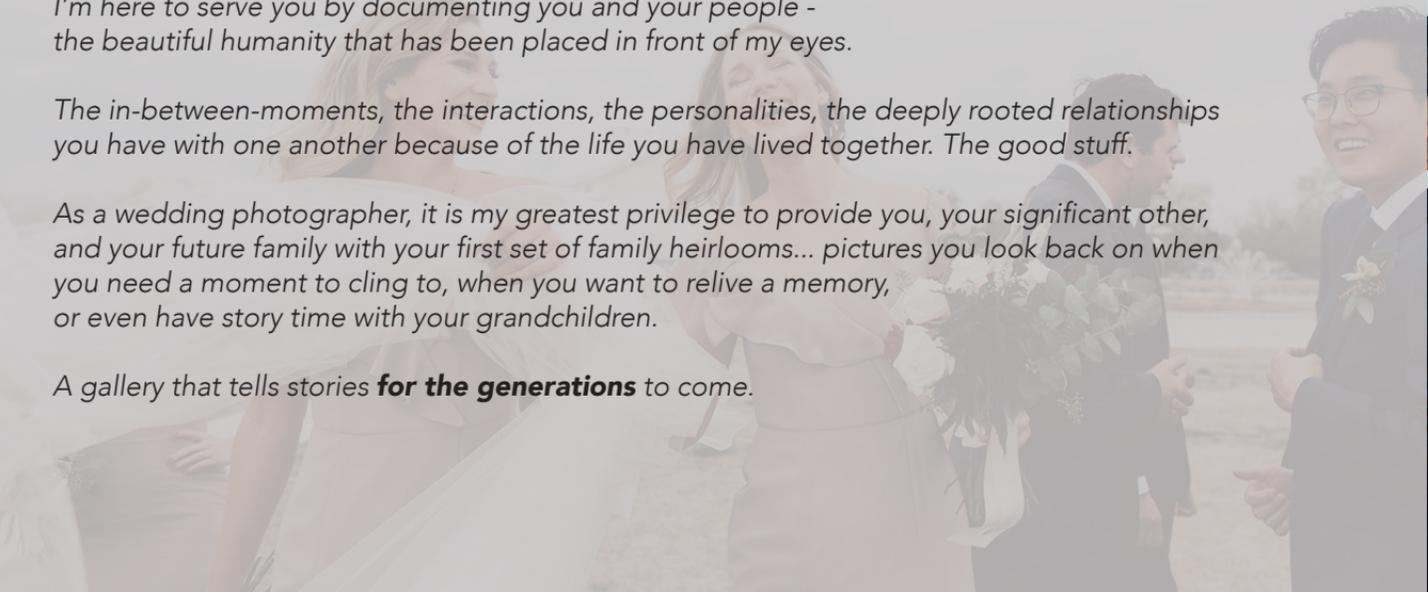

...IT'S STORYTELLING.

I'm here to serve you by documenting you and your people - the beautiful humanity that has been placed in front of my eyes.

The in-between-moments, the interactions, the personalities, the deeply rooted relationships you have with one another because of the life you have lived together. The good stuff.

As a wedding photographer, it is my greatest privilege to provide you, your significant other, and your future family with your first set of family heirlooms... pictures you look back on when you need a moment to cling to, when you want to relive a memory, or even have story time with your grandchildren.

FREQUENTLY ASKED QUESTIONS:

HOW MANY FILES ARE INCLUDED?

I guarantee 50+ images for sessions and 400+ images for weddings. I don't have a set number of images that I deliver because it differs for each couple, session, and package! I will edit all of the pictures I believe are worth editing from our time together. I will work hard not to leave any part of your special day out. If you would like to see one of my wedding galleries, let me know and I can get it to you!

WILL I RECEIVE RAW FILES?

You will not receive any raw files. I will edit all of the images that you receive prior to sending them to you.

HOW DOES PAYMENT WORK?

I require a 50% deposit when you book with me to reserve your date. The other 50% is due two week prior to your booked session or one month prior to the wedding date. I accept cash, check, or direct bank deposit via Honeybook (my online assistant).

CAN YOU PHOTOSHOP ME?

I will not Photoshop you to make you look skinny because you are beautiful and I want you to see that. I'll remove zits and distractions from the photos, aside from that you will remain true to all of your natural glory.

WHAT DO WE WEAR FOR OUR SESSION?

Your outfits should reflect your personality and I want y'all to be comfortable! If you wear sweats 99% of the time, it wouldn't make sense for you to wear a super extravagant outfit. Feel free to send me pictures of some outfit choices and we'll go from there! Neutral colors and earth tones look best in images. Brighter colors tend to reflect off your skin and makes it difficult to keep natural skin tones during post processing.

WHAT IF I NEED TO CANCEL/RESCHEDULE MY WEDDING?

Your 50% deposit is non-refundable. If you have to reschedule for something crazy like a super urgent family emergency, a hurricane or tornado blowing through the same zip code as your wedding, obviously I'm okay with rescheduling. All that said, I can't guarantee that I will be available on the new date you select, and we will work with one another's schedule to figure out the logistics of it all.

WHAT HAPPENS IF I CAN'T MAKE IT TO YOUR WEDDING?

Continually praying that this NEVER happens. However, if I cannot make your wedding for some uncontrollable extenuating circumstance arises, then I will find another photographer with a similar style - that I fully trust - to get the job done. However, I am not legally required to do this. If I am unable to find another photographer to replace me, I will fully refund you (50% deposit and all).

WHAT IF WE NEED TO RESCHEDULE DUE TO WEATHER?

We will reschedule if the weather is REALLY bad and if there is a possibility my equipment will get ruined during the shoot. However, some of my favorite shoots have involved unexpected rain storms, a lot of wind, an overcast sky, you name it. Sometimes things not going as planned is a good thing!

WHAT'S NEXT?

LET'S GET ON THE SAME PAGE

That was a lot of information and you may or may not have a billion questions - but don't worry! I completely understand and am always down for a facetime chat to answer any questions you have for me. I want to make sure you're super confident in this decision. It's an important one!

CONTRACT & DEPOSIT

I require a signed contract and a non-refundable 50% deposit to hold your date. The remaining 50% is due one month before your wedding, or one week prior to your session.

READY WHEN YOU ARE!

Once you give me the green light, I'm all in. Let's do this thing!

YOUR DAY. YOUR MOMENTS. YOUR INVESTMENT.

Pretty pictures are nice, trends and fads will continue to change, but your wedding photos are your first set of family heirlooms. This investment will tell stories for generations to come and will have a longer life expectancy than a simple 1080 x 1350 pixel post on Instagram or any other social media account.

My goal is simple: Document moments to give you something tangible to look back on after your wedding day. I want to tell the true story of you and your people, the people who helped you get here.

A story for generations to come.

Hannah*
