WELCOME

Thank you so much for your interest in Harken Event Company. We feel honored that you are interested in learning more about us and we truly look forward to learning more about you!

We are very proud of our 5-star rating on Wedding Wire and for being selected as recipients of the Couples Choice Award for the past 2 years.

This packet contains more information about our company and services. If for some reason, you do not find what you are looking for, please just let us know!

WHAT SETS US APART?

We realize that not all wedding planners have the same style or offer the same items in their packages. Given this, we like to share with couples about how we differ from other planners. Here's just a few....

We get fully invested. We do this because we love helping couples enjoy what will be remembered as one of the best days of their lives.

We want to get to know you...your likes AND dislikes. 😊

We believe in always having two planners onsite. This ensures that if any obstacles arise, there will always still be one person to tackle the "to do's" of the day while the other person tends to the mini road block.

We don't believe that the party stops after the formalities are wrapped up...we stay until the end of the evening to make sure that everyone has an enjoyable experience the entire duration of the wedding.

Our number 1 goal is your experience and we will do everything we can to ensure that your vision is carried out. We will go above and beyond to think about every detail.

We truly have your back from start to finish. Other vendors have a narrow scope but we are always looking at things from your aspect. At the end of the day, we are the **ONLY** vendor that has their pulse on everything happening on your wedding day.
