"Bryan is awesome and you should trust this review as a basis to hire him for your event. We did a destination wedding in Charleston and we had to plan the whole thing from Boston. DJ has to be one of the hardest things to pick - a DJ can make or break a party and there's no way to review one without actually attending an event they are playing at. On a night in which a ton of decisions went our way, the decision to hire Bryan Mahanes to DJ our wedding was the best one we made. Bryan brought solemnity, smoothness, class and the party. I apologize that this review will be too short to really convey the masterful job that he pulled off. From the timing, pacing and presentation of the ceremony to the handling of the various

moments in the evening (the cutting of the cake, the toasts, moving the guests from the cocktail reception to dinner), Bryan hit the perfect note in acting as MC for our wedding. When it came to music, we had selected much of the pre-ceremony music and the processional, recessional, entrance and first dance. We thought we would have the time and inclination to give him a playlist for the dance party. As we tried to build something, we realized that light instructions of what we wanted our party to be would be more effective than a limiting playlist. Bryan brought a vision that was seamless in his mixing of 60s Motown to modern top 40.

The music never stopped, Bryan never stopped AND he entertained requests! My 70 year old aunts were dancing for an hour and half. I had my ski buddies bugging out to Rihanna (don't ask, they're weird dudes). My bride's friends went nuts to Whitney Houston's "I Wanna Dance with Somebody". I write this review from the other side. If I could hire Bryan again, I wouldn't even think twice about it."

"5.0 We used DJ Bryan Mahanes for our wedding and he was worth every penny. I struggled with choosing a DJ that fit our style, would have great MC'ing skills, and was able to truly feel out a crowd to know how to keep them going or transition from cocktail hour, to dinner, to dancing and on. First of all, Bryan was super responsive and flexible - he made me feel like he was working with me to make this the best day of our lives, not just

another booking or another job. Second, his MC'ing skills and communication to our guests was not only engaging, but super effective. Last, but not least, his music was absolutely on point! We actually had a full dance floor before the first course was even finished. If you don't want to take the word from a biased bride (haha) it may help to know that we even had our guests AND venue staff tell us that it was one of the best wedding party music they had been a part of. You will not regret working with Bryan. He was absolutely phenomenal."

- Recently Married in Charleston, SC

We had another DJ cancel due to his brother getting married on our same day. No worries though he highly recommended OBE and I met with DJ Bryan Mahanes to discuss our style and needs. He was amazing! I wanted classic, shag, and later party music. As we were eating dinner I looked to my new husband and said this guy is good! I've loved every song he has played! He also set us up with a mic for the ceremony so everyone could hear our readers despite the breeze. Everything worked out and was meant to be! Thanks Bryan!

Thank you so much for being a part of our special day. It was truly the best day of our lives and we loved every minute of it! Thank you for continually working with us and helping us have the beautiful music during the cocktail hour, our first dances, the dance party we wanted(!) and the perfect music during everything else. I kept telling Tom- he really knows what music

we love hes 5 for 5 on the first five songs". Everything worked out perfectly. We had an amazing day, and truly unforgettable memories."

Best,

-Tom and Chloe (April 28, 2017)

"After having to postpone our initial wedding date due to a hurricane, DJ Bryan Mahanes was super accommodating in rescheduling. He and the OtherBrother team took the time to learn our taste in music and translated that to the dance floor. Bryan seamlessly mixed oldies with new pop music and had the entire wedding (young and old) up dancing all night long. He also played guitar during our ceremony and cocktail hour. It sounded amazing, and was exactly what we envisioned for a beautiful ceremony! All night, guests were coming up to my wife and I to tell us how much they loved the DJ. If you are planning a wedding in the Charleston area, definitely consider Bryan Mahanes and OtherBrother!"

"Bryan Mahanes was the HIT of the night. He was so easy going, responsive, and great to work with. He caters to the audience but more importantly to the bride and groom. He went above and beyond to make sure I was happy (the bride). Any questions I had he would patiently and quickly respond. My 215 guests absolutely LOVED him and I couldn't stop raving about how amazing our DJ was. I honestly could not be happier!!! The dance floor was PACKED the entire night.. to the point we were chanting "one more song" as the night ended. No one wanted to leave. Also - he played acoustic guitar at the ceremony and is extremely talented. We really lucked out. I promise you will not be disappointed with him!"
