WHY KRISTIE J MARTIN PHOTOGRAPHY?

I love to document authentic, organic moments, which is why weddings are *the best*. It is my job to capture the day as it unfolds, allowing you to be fully present. My desire is for my clients to feel as comfortable as possible so that they can truly enjoy the day with one another and all their loved ones. Most people don't have their pictures taken

professionally on a regular basis and it can be a bit intimidating. I do a great job at guiding my clients through picture-taking, making it a fun and romantic experience. I also love coming alongside my brides and walking the day with them. I am there to serve you, to make your wedding day one to remember.

DIGITAL RIGHTS TO THE PHOTOGRAPHS

I give you full rights to your digital files, which means you can print when, what and where you like. Your images will not come with distracting watermarks, allowing you, friends and family to share and print freely. Kristie J Martin Photography may use your photos for marketing purposes both in print and on social media.

FULLY EDITED AND RETOUCHEDED IMAGES

I do a complete edit to each and every image you are given, resulting in top-quality photos. That being said, I try to keep images as pure as possible, enhancing the beauty that is already there.

TIMELY PHOTO EDITING

You will not have to wait long for your pictures to arrive. You will have your online gallery, ready for download, within five weeks of your wedding day.

NOW WHAT? WEDDING PHOTOGRAPHY PLANNING TIMELINE

- 1. Wedding Photography Services Agreement & Deposit** – This agreement, along with the non-refundable \$500 deposit needs to be mailed back to me to confirm my services for your event. You can also scan the signed contract and email me the PDF. I will then sign it myself, and email you a scanned version of our contract.
- 2. Optional Engagement Session** – This is a great opportunity to get comfortable in front of the camera before your wedding and for us to get to know one another better. These images can make for great additions to wedding day décor, save the dates, or more awesome shots of you together. Take advantage of this \$350 value!
- 3. Open Communication & Questionnaire** – Most likely this is your first time planning a wedding. Let me help you in the process! As you are in planning mode, I will email you a questionnaire and general wedding day timelines to help guide you.
- 4. Remaining Balance Due, Timeline & Group Photo List** – Your remaining balance is due *one week* prior to your wedding day. I will also need your confirmed wedding day timeline and your family photo list.

5. Wedding Day – Everything will be all set to go. Relax and enjoy your day!

Thank you for considering me as your photographer. I truly hope to be a blessing to you and your guests!
