In our 2-4 minute highlight, we take take the best moments of your wedding & condense them into a cinematic journey from prep, to reception & perhaps a bit beyond, if say, a car-dragged can sparks a brush fire. You can expect to see all the important moments such as the first look, first dance, the kiss, the dress, shoes, rings- a bit of groom, a bit of wedding party, some dancing, ceremony highlights & the most tear jerking or knee slapping bits of audio from the vows & speeches.

**GLASS JAR KEEPSAKE**

This is the one that gets the tears going. We start with more from prep, things like gift giving, special moments with mom, dad & the bridal party.

We also include more details, including peaks at the reception area & venue. Expanded ceremony coverage with full audio of your vows & expanded audio from the speeches & toasts. Then, its party time- Our favorite time! You'll get the dancing, the eating & even the elusive cake smash (don't be afraid to smash!)
