

DUNDEE  
PHOTO  
BOOTH  
BY  cubetech  
computer services

Add some fun to your next event! Our enclosed photo booth is 7' tall, 5' wide, and 5' deep. Our open-style booth has an 8' x 8' backdrop. Both include unlimited photo booth sessions during your event. Each session takes 2 - 3 pictures which are printed moments later on a 2" x 6" photo strip for each participant to keep. The photo booth is operated by an attendant who will be present during the entire event to assist in operating the booth. Additionally, after your event, you will receive a digital copy of all shots taken. Optionally, you can also have a photo book created during your event with printed copies and guest messages. Customize your photo strips with a custom message, logo, or layout to match your event's theme. Multiple backdrop options are available to choose from.

#### Pricing Information:

- First two hours: \$350.00
- Each additional hour: \$125.00 (includes photo book)
- Non-refundable deposit of 20% required to hold date
