

Mountain Tap Brewery

Event and Catering Guide 2019

2019 Event and Catering Guide

We recognize that your event is unique to you, and that's why we have a variety of both in-house and off-site event and catering options to suit your personal needs. We strive to provide a one-of-a-kind dining and event experience for you and your guests, and we'll work diligently with you every step of the way to ensure a successful event.

There's always a party at Mountain Tap, so why not make it yours? We have the on-site private dining facilities to accommodate up to 75 people during regular business hours and offer entire restaurant buy-outs outside of typical operating hours. Brewpub space rentals for large groups or private dining require a food and beverage minimum to be met. These rates are determined based on type of rental space, time of year, and length of time the space is needed.

Want to enjoy everything you love about Mountain Tap in a location of your choosing? We've got you covered. Our Mountain Tap Mobile catering trailer is equipped to bring the Mountain Tap experience to you by providing exceptional food and drink service for private events of up to 150 people. Mobile event bookings require a food and beverage minimum as well as operational and material fees.

We look forward to working with you to put on a one-of-a-kind event that you and your guests will always remember! With questions and inquiries, please reach out to events@mountaintapbrewery.com, or stop on by the brewery and we'll talk about it over a beer. Cheers!
