Elopement Package

\$200

- I show up for the ceremony with no planning on your part or you can come to me — that's it!
- If you need witnesses to be provided that would add \$50.00 to the Elopement Special

If travelling more than 25 miles from Tacoma, there will be a \$25.00 travel fee added to the package for each trip taken.

For example, if the venue is in Seattle and I'm coming to you for the rehearsal and the ceremony, the travel fee would be \$50.00 since I'm travelling two times more than 25 miles from Tacoma.
