Design Services

The design is the imagination, creativity, and inspirations that makes your event unique, tells your story, and gives your guest all the feels. Going far beyond centerpieces we use all types of objects, props, lighting, stationary, signage, rentals, and yes flowers to create a unique and welcoming atmosphere. One that has a cohesive feel, a rhythmic flow, and that speaks to your guest and is fully inspired by you.

Our design package is a great fit for the client who is seeking help to create the overall vision, feel, and aesthetics of their event. Do you have your vendors booked, logistical and overall planning under control, coordination of the wedding day is set... But, you need help in putting the look together? This package may be the best fit for you. It includes designing, budgeting, and executing all aspects of the decorating process. We will design, create, obtain, and setup of all aspects of your event décor and flowers. We will meet with you including a venue site visit to walk and talk through all the ideas and elements to be incorporated and ensure a seamless flow with the overall event plan. We work with you to expand and develop the event vision, and will create an inspiration board that allows us to share, expand and give feedback on the theme and styling for your event as we move through the design process. Investment starts at \$1200.00 and does not include the cost of Flowers or materials. We work with you to create and track your individually set design budget. And work to create and design to maximize this budget within all the elements we introduce.

Floral Design Services

Our Floral Design Services can be added onto any of our packages or booked individually. Each Floral package is individually priced based on the specifics of your needs. The number of and size of pieces, type of design, type of flowers, and time of year can all affect the overall floral design package price. We do work with you from the beginning to obtain a budget for your flowers and we work to recommend and design specific elements to coordinate with both your event design and budget. Our clients typically invest a minimum of \$2000.00 in their floral design.
