## YOU HAVE QUESTIONS

---

Q: What sets you apart from other photographers?

A: With years of training under my belt, I know how to pose and guide clients to make them feel relaxed while looking their very best. As most photographers outsource their editing, I do not. I am the single artist of every photo, no photo goes without being crafted to perfection.

Q: Will we get the print release to our photos after our wedding?

A: Yes! Upon receiving your images, you will also get a full print release.

Q: How many photographers will be there at our wedding?

A: All of our wedding collections come with a single photographer, but some higher packages feature a FREE assistant photographer.

Q: Will my photos be posted publicly on your site or social media?

A: I respect your privacy and allow each client to decide whether or not they want their photos displayed publicly. I'd love to show off you & your images, if you're game! If not, that's okay, too. Otherwise if my clients do not specifically specify their privacy, then the images may be used publicly.

Q: How will we plan out our timeline?

A: After our engagement session, we will find a time either via Zoom or we will meet up in person to craft your personalized timeline.

Q: Will you Photoshop my images to hide any unwanted spots, wrinkles, etc?

A: Minor edits will be made to all of your images, but I believe our imperfections are what make us beautiful & unique. If there are specific edits you want, these will be charged according to the number and complexity of edits.

## I HAVE ANSWERS

---

Q: Do you have a list of preferred vendors to use?

A: Yes! I have a plethora of amazing vendors that I recommend, If you need recommendations I usually send over social media portfolios + websites.

Q: Do I have to order prints through you?

A: I highly recommend ordering prints through one of my professional vendors, but it isn't required. The difference in quality is huge when it comes to ordering through a professional lab, so I always love to help with prints but I do not have my own personal store!

Q: What equipment do you use?

A: I use all of the latest Sony equipment. I always carry the Sony A7iii + Sony a7rii with my 50 mm lens, 35 mm lens, & the 85 mm lens, among many other items.

Q: Do you photograph destination weddings?

A: Yes! It is a dream of mine to photograph weddings in beautiful places, travel and lodging is all priced per personal wedding.

Q: Are the people featured on your site models?

A: For the most part, no. While I am lucky enough to work with gorgeous clients, the majority of the images shown on my site and blog are of regular, paying clients.

Q: How do we reserve our wedding date?

A: A 30% deposit & signed contract is required in order to get your wedding on the calendar. The remainder of your balance is due one week prior to your wedding.

"ASHLYN MADE OUR  
WEDDING DAY A
