

FRANNY CIVITANO

New York City Wedding Officiant

2019 PRICING GUIDE

Marry us? I'd love to.

A wedding is a celebration of love, friendship, and family; of where you've been and where you're going. Every time I am asked to officiate a wedding, I know what a unique responsibility and honor it is to stand between two people who are making what is often the most important, most public declaration of their lives. I cherish the moments when I can feel—palpably—the love, joy, and anticipation in a room full of people coming together for a singular purpose: to celebrate love.

All pricing packages are for locations in Manhattan, Brooklyn, and most of Queens. Additional travel fees might be included outside of this area. If you require customization beyond what is offered below, a custom fee may be associated with that request. Should you require officiant attendance at a rehearsal, please add \$150.
