

The Gale Mansion

BEAUTIFULLY SIMPLE, ELEGANTLY CELEBRATED

About Us

Built in 1912, the Gale Mansion is an elegant and intimate setting for weddings, receptions, corporate events, and other special occasions. Located just south of downtown Minneapolis, the mansion offers the perfect atmosphere for a sophisticated and unique event. Wedding ceremonies can be held onsite at the mansion. Indoor ceremonies are held year-round, and outdoor ceremonies are held May through October.

Our executive Chef has created an impressive menu that includes vegetarian, vegan, and gluten-free items, a wide range of traditional and ethnic cuisine, and high quality ingredients. Our goal is to always provide a memorable meal that will impress you and your guests. Special requests can be easily accommodated in order to make your event truly unique.

After an extensive renovation in 2010, the Gale Mansion now offers an elegant ballroom equipped with a new audio/visual system, stage, dance floor, and grand piano. At maximum capacity, the ballroom can seat up to 200 guests. For a more intimate setting, you can hold your event on the main mansion level, which can seat up to 100 guests in two adjoining rooms.

In booking the mansion for your event, you will secure the dedicated service of an experienced event planner. Your planner will be available to you every step of the planning process leading up to your big day. From start to finish, you can relax knowing your planner will be onsite to coordinate every detail.
