In this guide, I will explain the elements of the Wedding Experience and what you will be getting if you decide to book with me. Keep in mind- I frequently customize the Experience to fit personal needs and budgets. So please email me if you have any questions or requests! I will try my absolute hardest to serve you in the best way possible. Now, read on!

THE *engagement session*

The Wedding Experience includes a complimentary 1 hour engagement session! This is a fantastic time for us to get to know each other and for you to get comfortable in front of the camera. Engagement sessions are a super fun time in the Wedding Experience process, and I love hanging out with my couples and becoming best friends!

8-10 HOURS *of coverage*

I will be at your wedding day for up to 10 hours! If you decide to book, we will talk through your timeline and figure out the perfect schedule and timeline in order for me to provide the most coverage possible of your big day!

A SECOND *photographer*

The Wedding Experience includes a second photographer, so I don't miss a minute of your big day! My second photographer is always a wedding photographer themselves, so they are experienced and capable to help cover your wedding day.

DIGITAL FILES *and lustre album*

You'll receive high-resolution, fully edited images in an online gallery, available to view and download! I typically deliver about 50-100 images per hour of shooting time. Print rights are included for you to print on your own, or you can also buy professional prints and other art a la carte from me.

The Wedding Experience also includes an 8 x 10 lustre album.

This is included because I think it is an essential thing for pictures to be in tangible form, not just on a computer screen, so one day, your grandchildren can open up your album and experience a little part of your wedding day for themselves.

ABOVE ALL, *thank you*

Thank you so much for even just considering me to take part in your big day! I love creating lasting relationships with my clients- because a friend is the best person to trust in creating great memories of one of the biggest days of your life. It is a huge honor to come alongside couples and become that friend through the entire wedding planning process. So thank you immensely for your consideration, and I look forward to talking more with you!

Love, *Ashley*
