

All Couples,

Nuptials

Officiating for any couple, anytime, anywhere

Hey there engaged couple - thanks for visiting All Couples' Nuptials storefront!

My current pricing for a simple (10-15 mins in length), small (15 people or less) wedding ceremony is \$400.

The \$400 includes helping you with your wedding vows (if you want help) or providing you with wedding vows if you just don't want one more thing to worry about, travel anywhere in Orange County and the handling of your marriage license after the ceremony – to make sure you're legally wed!

Additional fees **may** apply for larger ceremonies, longer ceremonies or ceremonies in San Diego, LA or Riverside counties. Contact me and we can figure out what, if any, additional fees may apply. Every ceremony is unique!

I look forward to officiating your wedding!

Reverend Lisa
