ALL-INCLUSIVE ELOPEMENT PACKAGES

Planning an adventure elopement isn't always easier than planning a traditional wedding. There's a lot to consider when saying "I do" on public land, in a different country, or in a non-traditional way. Luckily, I've been doing this for years and love the planning process — so my packages come fully loaded.

Here's what all packages include:

Unlimited Planning Help

From start to finish, I'm here to help guide and support you. I'll share my best tips, favorite places, timeline advice, activity recommendations, and more. You'll have unlimited access to me for 1-on-1 planning calls as you need them. Feeling overwhelmed? I'm here to take some weight off. Unsure of what comes next? I'll map it all out. Just need reassurance? I've got you.

Custom Vendor & Lodging Recommendations

One of my secret skills is finding the coolest places to stay, eat, drink, and explore. So based on your preferences and wants, I'll send you a custom list of recommendations! I'll also send you a list of recommended florists and vendors in the area to make building your team of support a breeze.

Elopement Inspiration Guide

You'll get my 90+ page Elopement Guide that includes everything from vendors, packing lists, timeline inspiration, and so much more. 90 pages might sound like a lot, but trust me, this guide is like Pinterest meets wedding planner in one (except free and a lot less overwhelming).

Custom Elopement Timeline

We'll collaborate on your elopement timeline, making sure you have the best experience possible. I'll include information on when the best light is and helpful tips to make the most of your time — so you can squeeze in all of the locations and activities that matter most (without rushing or stressing about time).

Logistics Planning & Permit Research

Thinking through the logistical part of your day is integral to a smooth and stress-free elopement. I'll make sure we've thought of it all, permits, drive times, transition times, and more. That way, you can simply sit back, relax, and have the time of your life.

All Of Your Photos To Remember Your Day By

You'll receive a curated and diverse collection of high-resolution images with unlimited downloads and printing rights via an online gallery. This is easily shareable with family and friends!

No Extra or Hidden Fees

Anywhere you want to go, I'll go with you. There are no extra fees for any standard commercial travel costs. Check out my annual 'Featured Locations' for special pricing.
