## ALTER AN ORIGINAL

Choose an example from the portfolio or products page and I will update to your text and colors for \$40 per pre-designed piece.

Keep it Simple \$160, Ramp it Up \$240, Make a Statement \$360

The prices to the left and above are only for the designs and do NOT include paper, printing, or assembly.

I can send the print ready files to you or a printing company of your choice. I can also oversee the printing. To the right are estimates on what it would cost to print through Something Designed. These prices are subject to change. For a specific quote please contact me.

You can also chose your own printing company and we can send them the digital files. For a custom estimate please contact us directly.

# DESIGN PROCESS

SomethingDesignedLLC.com

SomethingDesignedLLC@gmail.com

## CONSULTATION

Please contact me to begin the process. I can schedule a consultation in person, over the phone, or chat via email.

## ESTIMATE

After learning what your needs are, I will email you an estimate and the terms and conditions. Please sign both forms and send them back.

## DEPOSIT

I will begin designing after receiving your 50% non-refundable deposit by check.

## SEARCH

From Google, Pinterest, or Etsy, email examples of the style you like, as well as any specific wording you want.

## DESIGN

Once all forms, the deposit, and examples are received, I will create 3 design options for one piece and email to you for selection.

## APPROVE

For each piece you can approve the design or request changes (up to 3 times). Please be very careful and check for errors or omissions.

## PAYMENT

After final approval, the remainder of the balance will be due.

## RELEASE OF FILES

After payment is received I will email the digital files to you or your printer.

## GET MARRIED!

Remember to bring an extra invite set to give to your photographer.

## PRINTING

I can also oversee your printing through a local printer. If interested I can send you an estimate for those costs.

## SHIPPING

After all pieces are printed, they will be shipped directly to you, for assembly and mailing.
