

A word about pricing.....

I understand that planning for your wedding and related events can be challenging. While your entertainment choice needs to be 'Just Right', it must be budget friendly.

As a solo musician I can provide quality music for small to medium size events, requiring an intimate style, with your budget in mind.

My rates are flexible and affordable. In most cases, my services begin at approximately \$100* per hour, with a two-hour minimum. A small travel fee for venues great than 50 miles from the North Raleigh area may come in to play. Services include a state-of-the-art sound system for up to 100 guests and a lapel microphone for the celebrant if needed.

Should the need arise, I am happy to expand to a 3-piece ensemble, including a female vocalist and keyboard player. In which case, my services begin at approximately \$250* per hour.

Please feel free to contact me with questions and/or to receive a custom quote. I'm proud to say I have helped to make over 100 weddings a very memorable experience!

Best Wishes for a wonderful wedding, a healthy & happy life!
