

j. cameron cake

Thank you for your interest in j. cameron cake.

My scheduled cake consultations/tastings/tasting boxes are \$50.00 for 2 to sample 3 flavor/filling combinations of your choice. This initial cost will be deducted from your final balance if you choose to book your date with me. Please refer to www.jcameroncake.com for flavor and filling options. Custom flavor suggestions are always considered.

Pricing per slice starts at \$6.00 and depends on your design choice, hand made details, fillings and finishes. My goal is to always strive to work within your budget and will make suggestions to help you stay there.

Contact me early in your wedding planning process as I limit the number of booking dates I accept in order to focus on each project individually.

Please reach out anytime for any further questions you may have regarding pricing or alternate dessert options for your special day.
