THE SARAH & BRAD PROCESS

Our process of serving our couples is truly exciting because it allows your values, wants and needs to be heard, understood and captured.

1. Become genuinely interested in your story
2. Listen to your unique wants, needs and values
3. Strategically plan for peace of mind
4. Work Hard - Shoot Smart - Love Well
5. Preserve your Story as legacy

With this process anchoring our intentional shooting style, we capture the unnoticed moments, otherwise forgotten memories, unexpected perspectives, and the unique personalities specific to each couple.

DESTINATION WEDDINGS

We love to travel, and we also love making life easy! So there are no additional or hidden travel fees. All of our pricing for destination weddings and elopements will be exactly what we quoted.

WE
CAPTURE
epic
moments.

IMAGE RIGHTS

High Resolution Photographs can be used in any way that you see fit. Print as much as want, as large as you want from wherever you want without a watermark.

PAYMENT

We offer payment plans to help make life easier! We let the amount of payments be up to your preference - between 1 and 6. To reserve the date, a non-refundable retainer is required to be put down.

TRAVEL

If your wedding is over 3 hours away from Whittier, NC there is a \$100 travel fee to help cover our expenses.

EDITING

We individually edit every image you that we cull for delivery to you. However, we do not do extreme body, face, or hair retouching. Blemishes will be edited on a case by case basis at the sole discretion of Sarah Dooley Photography. Edited files will be delivered to the Client in jpeg format. RAW files will never be delivered to a Client. Additional editing changes or revisions can be purchased at \$30/image.

DELIVERY DAY

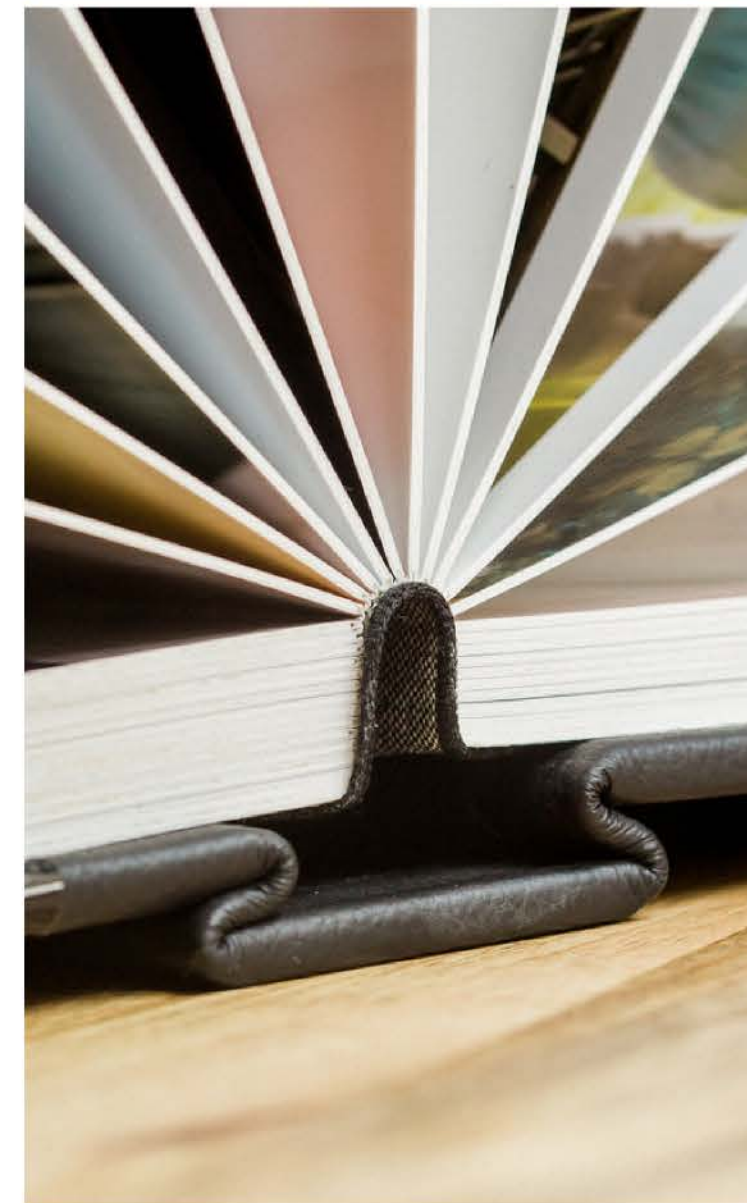

You may expect the base package of processed photos to be presented online 6-8 weeks after the event. Albums, prints, and additional orders may take up to 11-14 weeks due to design, print, publication, and shipping time.

WEDDING ALBUM

Your Wedding Album encases your most precious experiences, memories, and emotions from your wedding day. An Heirloom to last for generations and true piece of fine-art that every bride of ours will have in their hand. Every Album is custom designed around each couples unique event by us.

Our Memory Book combines custom craftsmanship, handmade quality details and fashion-forward looks. When you first get your hands on your Memory Book, you may find yourself brushing your cheek against the glorious cover; this is perfectly normal. We do it all the time.

Our binding lays beautifully flat, so each spread can be presented in all of its glory. No cut through any photograph.

A romantic wedding photograph of a couple in a field at sunset. The groom, wearing a dark suit and glasses, is lifting the bride. The bride is wearing a white lace wedding dress with a long veil. They are kissing and looking at each other. The background shows a grassy field, a line of trees, and mountains under a warm, golden sky with soft bokeh light effects.
