

Rockcraft Lodge

Sebago Lake, Maine

Blank Canvas Venue

Rockcraft is a meticulously restored [historic estate](#) that occupies ten acres on Sebago Lake in Maine. The property offers nearly 900 feet of water frontage and provides an [elegant, pastoral ambience](#) with a variety of different settings (both indoor and outdoor) for a ceremony and reception. We offer couples the opportunity to craft a unique and special wedding where you choose your own wedding planner, caterer, and other vendors.

The Experience

Booking your wedding at Rockcraft includes exclusive use of the property's grounds, the Lodge, and the Carriage House for three days and four nights.

The Lodge

A turn-of-the-century estate in East Sebago, Maine, used as a winter hunting lodge by the original owners. Highlights include a great room with two handcrafted stone fireplaces (perfect for a cocktail reception or small ceremony), an intimate wood paneled library, a gourmet chef's kitchen that opens to a stone patio and fire pit, and a large formal dining room that can seat over 20 guests. Further, eight bedrooms (all but one with private adjoining bathrooms) can accommodate 18 guests.

The Grounds

With more than ten acres set on Maine’s pristine Sebago Lake, Rockcraft can accommodate up to 200 guests and has numerous settings for the perfect ceremony and reception. The grounds also feature a private beach, 70-foot dock with space for multiple moorings, a floating dock, and a large front lawn that slopes gently to the water.

The Carriage House

Originally built to house horse-drawn carriages and their related tack for Rockcraft’s residents and guests. The building has since been modernized to offer a comfortable, fully-furnished living space with a bathroom, high definition TV, dartboard, and pool table.

Suggested Vendors

Because we want you to plan the ideal wedding for your preferences and budget, we do not have required vendors. However, because we know how much work it can be to identify the right vendor, we offer couples access to our preferred vendor database. This can help to identify vendors (for wedding essentials such as tables, chairs, linens, a tent, etc.) who are familiar with Rockcraft and who have been recommended. Note that new vendors who have not previously worked at Rockcraft must be approved by us. [Explore Past Weddings at Rockcraft Here](#)

Additional Lodging

Accommodations for four nights is included in the booking (maximum occupancy is 25 guests, with sleeping arrangements for 23). In addition, we also maintain a listing of nearby inns, bed and breakfasts, and hotels, which we are happy to share with you.
