I. CONSULTATION

I like to start off all projects with a quick consultation call or email. We'll chat briefly about you, your vision for the wedding, and the scope of the projects you'd like to do. I'll also quickly discuss timelines, materials, and other inspirations for the project.

II. PRICING + CONTRACTS

After our initial meeting, I'll send you a proposal with pricing estimates based on our conversation. If prices are approved, I will follow up with a formal contract. In the contract, I'll map out deadlines, scope of work, and spell out all of the fine details. You'll review and sign if you approve all terms. I will start the design process after I've received the signed contract and a 50% deposit.

III. DESIGN + EXECUTION

INITIAL CONCEPTS:

I will explore numerous iterations of your design inspirations, and will present you 3 design ideas. You'll have the opportunity to choose one concept and provide feedback at this point.

REFINEMENT:

Using your feedback, I will refine the winning concept and finalize the design and execute the project.

FINALIZATION:

You will be notified of the completion of the project and will be sent photos and a final invoice. The final invoice must be paid prior to delivery.

The Process

Q: When should I contact you for these services?

A: Any thing that needs to be printed (i.e. invitation suites, menus, etc), I require at least 8 weeks notice. This is because there is a lot of back and forth between us before designs are finalized, plus the time to get things printed & shipped! Anything that needs to be hand done (day-of signage, name cards, etc.) require at least 3 weeks notice.

Q: Is there a bulk discount?

A: Given the nature and time invested into handmade and design projects, I cannot offer any bulk discounts. I can offer my best pricing for printed/materials costs, if you do not have a printer in mind.

Q: Can I rent a chalkboard/mirror from you?

A: I have a limited number chalkboards, so please contact me for pictures. I do not carry an inventory or mirrors, but I know some vendors who do! Contact me for their info.

Common Questions

Q: Can you source this material for me?

A: If you'd like for me to source additional materials for your project (envelopes, placecards, etc.), I will quote you the best price I can find, and charge you my cost. Payment for all materials are due prior to order.

Q: Are you available to be on-site the day of my wedding?

A: Unfortunately, no. I schedule all of my deadlines prior to your wedding date to save you any stress or headaches. Just enjoy your big day!
