KIND WORDS

"The best choice we made on our wedding day was hiring Dallas. She was so much more than just a photographer. She became a lifelong friend and we will forever not only cherish our wedding photos - but also our relationship with Dall. When it comes to your wedding day, she is the woman you didn't even realize you needed and makes everything flow so easily. Her ability to capture moments is unmatched, but what really sets her a part is who she is on the inside and how she shines to make others their absolute best! Hire her NOW. She is the greatest investment you can make for your big day!"

BEFORE YOU PICK..

Let's chat about details + budget

Connection on a deeper level. Let's talk before you decide which package is best for you. We can schedule a phone call, zoom or meet up in person.

Whatever fits your needs the most.

It's important for you to dive in deep and full understand the timeline and which photo scenes will go along with that timeline. (if you don't have a timeline set, that's fine! I can help with that!)

for the wedding day....

- We will nail down a timeline! I will provide a document to send all family members and wedding party. So everyone knows where to be and when to be
- I'll arrive 15 minutes early to get a feel of the venue. I will plan where the best shots will be, focusing on lighting and location
- Don't worry about posing. I will direct you both and make sure you look incredible in every photo

FAQs

How Soon will I receive my photos?

Typically I will have your gallery back to you 4-8 weeks after your big day.

How much is your deposit?

I require \$1000 down to secure your date. The remaining amount due 7 days before your wedding date.

Do you recommend a second photographer?

Yes! If the budget allows. A second set of eyes is good in any situation. For example a second shooter can do the groomsman while I do bridal party getting ready. But also know I am complete comfortable with shooting solo, I will capture every detail you require!

Can I add a videographer?

Absolutely! I have a preferred list for you. But the choice is yours!

THANK YOU!

I'm here for you every step of the way!!
