

Hello-Bride-To-Be!

Let us help plan your special day.

R Flowers and Baskets is a boutique florist dedicated to the floral design of your wedding, filled with texture, color and lots of love! We are not geared to a specific look but we do love to create loose and organic arrangements along with whimsical, romantic, rustic and just about any other design you can think of! When it comes to making your day memorable, Rona is an excellent choice. Rona and her team like to keep up with the latest trends and love to make your dream vision a reality!

To help create your dream wedding and offer you a stress-free and streamlined experience we have created the following packages for your wedding floral design. If you require to add a few more items to each package, we have listed our add-on prices below.

**Wedding Floral Packages** - What separates us from our competitors is that we use our upgraded containers so that you do not have to purchase them. We just need to pick them up the day after the wedding.
