NICE TO MEET YOU

# HI, I'M ERIN

A WEDDING & ELOPEMENT PHOTOGRAPHY  
STUDIO BASED OUT OF BOSTON, MA.

Hey – I am so glad you are here! I am a professional wedding photographer based in Boston and I LOVE MY JOB! I have an Irish Doodle named Brooklyn that keeps me busy when I'm not photographing couples.

This is my 7th year in business with over 400 weddings and elopements photographed. You may be here for my work but most of my couples hire me because of my personality; I'm a goof that gets shit done. I discovered my love of photographing couples while I was working at Apple (super nerd over here) and it's been my passion ever since.

Although I am based in Boston, I do travel for destination weddings and elopements (I also plan them) so do not hesitate to reach out!

# Frequently Asked

## WHEN WILL I RECEIVE MY PHOTOS?

You'll receive a sneak peek of a few photos within 72 hours of your day (I know you're anxious to 'gram!). For engagements, photos are delivered within 2-3 weeks. Weddings are delivered within 4-12 weeks.

## HOW MANY IMAGES ARE INCLUDED?

You can expect to receive 50-75 final hand-edited images per hour of coverage! after your wedding day, I'll remove any photos you wouldn't want or need (people blinking, blurry, etc) and edit & deliver the rest! don't worry, I won't withhold any images I think you'll want.

## DO YOU GIVE US THE RAW PHOTOS?

Nope! I don't send any un-edited/raw files! most of the magic happens during the editing process, so without that step your photos are only halfway done!

## WHY INCLUDE A 2ND PHOTOG?

While I'm confident in my ability to shoot all of my weddings solo, I recommend second photographers for larger weddings, or when couples are getting ready separately and the timeline doesn't allow me to be with them both. They can provide another perspective to your day and an alternate angle of every situation! We can chat more about this option on our call.

# Frequently Asked

## WHAT ARE MAIN ASPECTS TO KEEP IN MIND WHILE PLANNING OUR WEDDING?

First off, this day is yours. Meaning, stay true to who you are as a couple.

Secondly, light! To put it simply, the best scenario is for your ceremony to be about an hour before sunset and somewhere beautiful, even lighting - scope out your venue/location and situate yourselves so that there is beautiful light on both of your faces, not shadows or harsh, uneven light.

Also, sometimes less is more. Busy backgrounds/backdrops will make for distracting photos. Natural light always wins!

## WHAT IF THE WEATHER IS BAD?

I always encourage embracing whatever the weather ends up being like, especially since I can shoot in any type of light. It's going to be a unique experience no matter what mother nature throws at us.

## CAN WE BRING OUR DOGS/ANIMALS?

Ahhh...you better. You just want to be sure that your Pup will be cool with us shooting without him for a bit. We don't have to leave them in the car of course but we should get some photos of just the two of you so if we can leash them to a tree near us, they will still be calm.

*Brooklyn's seal of approval*

## DO WE NEED AN ENGAGEMENT SESSION?

This is up to you, but I totally recommend one for a few reasons! First, my style of photography works best when we've gotten to know each other. An engagement sesh is the perfect time for us to hang out & spend time together before your day! It's also a great way to get comfortable in front of the camera, and practice makes perfect. It's totally natural to feel a little bit nervous/awkward when you're not used to having your photo taken, but your engagement session will make you two pros by the time the wedding rolls around!
