TESTIMONIALS:

"Alexa is fantastic! She knew exactly what I wanted and made it happen! Highly recommend!" -Ashely S.

"I was soooo happy with the work Alexa did... I ended up changing the hairstyle and she was able to do it BEAUTIFULLY. I got so many compliments on my hair at my wedding. I would 100% use her again even if I was just going for a stroll in the park." -Erin K.

"Alexa did my hair and make up for a wedding I was going to and I must say she did an amazing job and did exactly what I was wanting. She was very friendly and also left me a little touch up kit to use for later on that night. She's wonderful. Thank you again girl!" -Cassidy I.
